

\$6,800 SET AS GOAL FOR BOY SCOUTS' DRIVE

Goal of the forthcoming fund drive for the Black Walnut Boy Scout District will be \$6,800.

Final decision on the amount to be sought in the campaign was made Thursday noon at a meeting of the district finance committee with Scout executives at the Lamp Post Tea Room.

Charles C. Kingston, gardeners, chairman of the annual finance campaign for the last three years, was named to his fourth term in that position by District Finance Chairman Daniel E. Teeter.

OTHER APPOINTMENTS

The district campaign will be conducted in all areas of the district other than Gettysburg. Gettysburg raised its share of the 1965 Boy Scout finances through the recent United Fund campaign.

A new post of vice general chairman with responsibility for both the special gifts and general solicitations in the Littlestown area was established. Charles Ritter, of Littlestown, was named to that post.

Harold E. Ecker was renamed treasurer for the campaign and Dr. W. E. Tilberg was renamed as special gifts chairman.

\$300 INCREASE

At the meeting it was decided that the special gifts portion of the drive is to begin today. The general solicitation will begin with the opening of Boy Scout Week February 8.

The C. H. Musselman Division of the Pet Milk Co. agreed again to donate a banquet at the cafeteria of the Biglerville plant for the various chairmen, solicitors and committee members for the annual fund drive. That "kick off" dinner will be held Thursday evening, February 4, at 6:30 p.m.

This year's \$6,800 goal is an increase of \$300 over the amount sought last year.

Recommend Gettysburg To Tourists

An East St. Louis woman who visited here last August has written the Gettysburg Chamber of Commerce to say she will "heartily recommend your town as a top tourist attraction."

Her letter to the Chamber office follows:

"I wish to express my appreciation for the kind, courteous treatment I received when four teen-agers from the middle west and myself visited your city in August, 1964.

"During this time we toured Buffalo, New York City, Washington, D. C., and Gettysburg and the very considerate attention extended to us by your city's business places was very outstanding, far superior to any of the other places we toured.

"We would especially like to thank the Buick dealer in your city for the fast efficient service he gave us when we had car trouble.

"I will in the future heartily recommend your town as a top tourist attraction. Yours truly, Jennie R. Woelmann."

LICENSED TO WED

Clarence O. Brown, Littlestown R. 1, and Rosemary C. Reaver, Keymar R. 2, Md., have secured a marriage license in Westminster.

Star Of India Is Found In A Miami Bus Station Locker After Secret Tip

NEW YORK (AP) — The priceless Star of India sapphire was returned to New York today by detectives and the accused cat burglar who helped recover the stolen quarter-pound gem from a Miami, Fla., bus depot locker.

There, the icy blue fire of the fabled stone, world's largest of its type, glinted through a rotting bag which appeared to have been buried or exposed to dampness.

NIGHT RENDEZVOUS

The recovery climaxed two days of secret calls and nighttime rendezvous in the Florida beach resort.

Allan Dale Kuhn, one of three playboy aquatic acrobats, swapped the Star of India and other precious gems stolen Oct. 30 from the American Museum of Natural History in hope of lighter sentences for the trio.

MISSION COMPLETED

While waiting for the Florida flight to land, Manhattan Dist. Atty. Frank S. Hogan announced with a grin that the recovery mission had been completed.

He did not say how many of the 22 stolen gems had been recovered.

RUBY MISSING

An informed but unofficial source in Miami said the cache did not include the invaluable DeLong star ruby, a 100-carat gem that is the largest and most perfect of its type in the world.

Both the Star of India and the blood-red ruby carried price tags of \$400,000, but this was mostly for bookkeeping purposes since authorities regard them as priceless.

With the New York detectives and Kuhn, 26, was Hogan's assistant district attorney, Maurice Nadjari.

ANONYMOUS CALLER

Nadjari had telephoned Hogan at 5 a.m. to report success.

"He spoke cryptically and said the results were fair," Hogan said. "He said they had

Junior Firemen Add Two Members

Gettysburg's Junior Firemen are considering installation of a communications system between the Quick Call Center and their meeting-recreation room, both in the local fire house.

If the young men can afford the cost, they plan to install the system to make it easier for the Quick Call operator to summon them if they receive phone calls.

Vice President Carl McClellan, who presided at Wednesday evening's meeting of the Junior Firemen, said a committee will be set up to investigate the cost of such equipment and report back to the next session of the group.

Two new members were accepted, Rance Smith and James Shorb. The Junior Firemen decided to conduct a membership drive and noted that anyone interested in becoming a member may secure an application at the local fire house. The session closed with prayer led by Chaplain Roger Smith.

FIRE CHIEFS NAME BECKER AS PRESIDENT

George R. Becker, 727 Third St., Hanover, chief of the Midway Fire Co., was elected president of the Adams County Association of Fire Chiefs Thursday evening at the organization's meeting in Hanover.

Becker will succeed Robert Hartman, Gettysburg chief, as the head of the county fire chiefs unit on February 13, when the group holds its annual ladies' night banquet and installation of officers at New Oxford.

Other officers named Thursday night were Robert Kennedy, Heidelberg, vice president, and Eugene Murren, McSherrystown, who was renamed as secretary-treasurer.

BANQUET FEB. 13

Reports from the committees for the annual banquet showed that it will be held at 7 p.m. on February 13 and the speaker will be Rev. Nevin Smith of Hanover.

Following discussion of programs for meetings during the coming year Irvin Houck, Hanover, was appointed chairman of a committee to make arrangements for the monthly presentations and was given authority to name other members of his committee.

Accepted as life honorary members were Jack Kump, Heidelberg; David Hess, Hanover, and Richard Stuller, Littlestown, all former chiefs of their respective fire departments.

Next business meeting of the chiefs will be held March 4 at Littlestown.

MORE THAN 100 AT SERVICE

More than 100 persons filled St. Paul's A.M.E. Zion Church, S. Washington St., Thursday evening for the fifth of the Week of Prayer services.

The Rev. William Marshall, pastor of the First Baptist Church, spoke on "The Lord's Prayer," which is often designated as "The Disciples' Prayer." He said that "while this prayer is used by all and is sometimes considered a children's prayer it is really not a prayer for everybody to say; that only those who are committed as disciples can enter fully into the meaning of the

Easter Seals Help Equip Center

Mrs. Norman Richardson, who is the 1965 Easter Seal chairman for the Adams County Crippled Children's Society, is shown at the physical therapy center at the Warner Hospital, trying out a new piece of equipment her society has donated to the center. She is using chest pulley weights under the direction of Therapist James Messer. Two other new pieces of equipment, supplied recently by the Easter Seal Society from funds raised in last year's campaign, are shown in the picture. At the right is a stall bar used in exercise programs and hanging on the wall at the extreme left is a large mat used for floor exercises. The society's 1965 Easter Seal sale, the chief source of funds for the society's work throughout the year, opens in March. The new equipment which cost about \$200 will be used not only by crippled youngsters taken there by the Crippled Children's Society but by hospital patients who use the center. (Lane Studio photo)

'65 MARCH OF DIMES DRIVE IS LAUNCHED

The annual March of Dimes campaign to raise funds for care and research on polio, birth defects and arthritis is underway in the county, the chairman, Mrs. Joseph E. Codori, announced today.

Members of the county-wide committee conducting the campaign include: Arentsville, Mrs. Purcell Bohrer; Bendersville, Mrs. Ryland Garretson; Biglerville, Mrs. John Klinefelter; Cashtown, Mrs. Kermit Dear-dorf; East Berlin, Mrs. Ellen Hinkle and Girl Scouts; Fairfield, Mrs. Thomas Newman; Gettysburg, Mrs. Glenn Harner and Girl Scout Troop 779; Littlestown, Mrs. Atlee Rebert and Girl Scouts; McSherrystown, Harry Walter and Girl Scouts; New Oxford, Mrs. Thomas Washburn; York Springs, Mademoiselle Club.

Mrs. Codori reported that cards have been sent to 14,000 owners of automobiles in Adams County, "and already there has been a very generous response from many of them, and I want to express my appreciation to those donors."

COST OF CARE RISING

While there were no cases of polio reported in Pennsylvania during the year, Mrs. Codori noted: "We still must help those who suffered from the disease over the years. We are finding that the cost of care increases as they grow older."

In connection with birth defects the county organization at present is providing financial aid in 10 cases—the oldest of the children is three.

No direct care aid has been given so far for arthritis, with the efforts consisting of providing items for the physical therapy department at the hospital for use both for arthritis victims and others. Most recent of the purchases is a set of adjustable parallel bars bought for \$247.

BALL ON JAN. 30

The annual March of Dimes ball held as part of the fund raising campaign is scheduled for January 30 at Holiday Inn, Mrs. Codori said. The dance will be open to the public and general admission tickets are available. Reservations for tables should be made either through Mrs. Codori or by calling at the Holiday Inn.

A total of 350 collection boxes have been placed in business places throughout the county Mrs. Codori said.

FRACTURES FOOT

Clark Benson, 17, R. 2, was treated Thursday at the Warner Hospital for a fracture of his left foot sustained while playing basketball.

TO TEACH CLASS

Duane Johnson will be the teacher for the Men's Bible Class of St. James Lutheran Church on Sunday morning.

Ask Listing Of Big '65 Events

Communities and organizations holding outstanding programs for the public during the coming year are asked to notify the Gettysburg Travel Council office immediately.

Mrs. Pauline Adamick, office manager, said a request has been received from Better Homes and Gardens magazine for a listing of outstanding events in the area to be published in a nationwide listing of such events for tourists. Needed are the name of the event, the dates, and a paragraph describing the nature of the event, to be sent in to the national magazine this week-end.

FIREMEN PLAN NEW BUILDING IN BIGLERVILLE

Whether or not to remodel the present fire house or erect a new building was discussed at length Thursday night by Biglerville firemen, who finally instructed the building committee to investigate the availability of land and the cost of constructing a new building.

The present structure, which was built by the firemen, is located on land owned by the borough.

Plans for remodeling the present building were submitted to the fire company by several construction companies and ranged in price from \$10,000 to \$30,000. Firemen are of the opinion that they should consider purchasing a tract

15 BOY SCOUT HONOR UNITS TO GET AWARDS

Fifteen units of the Black Walnut Boy Scout District which won the "honor unit" award in the annual membership roundup will be presented with their award during the "Scoutarama," a Boy Scout show to be held March 12 and 13 at the Hotel Gettysburg pressroom.

Decision to present the plaques for the troops and shoulder patches for Scoutmasters and other officials at the Boy Scout show was made Thursday evening at a meeting of the district committee in Christ Lutheran Church education building.

Crosby N. Hartzell, general chairman for the Scoutarama, said the presentation will take place on the night of March 12, during the show. Space for 31 booths has been set up for the Scoutarama, and the Scoutmasters, Cubmasters and Explorer advisors will select the location of their booths at a meeting to be held at 8 p.m. January 15 at the pressroom. So far, Hartzell said, 12 units have selected themes for their presentations at the show. The themes range from firemanhood to first aid.

ANNOUNCE WINNERS

Units which have earned the honor unit awards were announced by Scout Executive Stanley C. Rogers as Packs 71, 78, 79, 84, 162, 163; Troops 71, 72, 73, 77, 78, 79, 84 and 160 and Post 79. The award is based on membership gains during the year.

Reports on the last year's membership showed a total of 920 boys in the 31 units in the district. The number was 18 higher than the 902 reported for the prior year, and was an all-time high for boy membership in the district. The report showed the district to have 13 Cub packs with 392 boys; 16 Boy Scout troops with 407 members and eight Explorer posts with 121 members.

The district committee members outlined preliminary plans for Boy Scout Week, February 7 to 13, and urged every unit to have its members attend church services in uniform on February

Part Of Town In Darkness

A transformer that feeds the street lights in the first block of York St. and part of Lincoln Square burned out Thursday evening about 7 o'clock, leaving that section of Gettysburg without lights overnight.

The Metropolitan Edison Co. said that the fuses blew out Wednesday night in the transformer, which is located at the rear of St. James Lutheran Church, and the street lights went off at 8 o'clock. Workmen replaced the fuses Thursday morning, but an internal short caused the transformer to burn out again Thursday night. The device is being replaced today.

LOTT RENAMED PRESIDENT OF SOIL BOARD

Robert C. Lott, Aspers R. 1, was re-elected president of the Adams County Soil and Water Conservation District at the annual reorganization meeting of the district held Thursday at its office in the Adams Electric Cooperative Building.

Other officers renamed were Bernard Klunk, vice president, and W. Clayton Jester, secretary-treasurer. The other directors of the district are Charles Lott, G. Harrison Fair and Stuart Luca-baugh.

Boyd Kinsley, soil conservation field representative from Harrisburg, presided at the reorganization meeting.

ANNUAL MEETING

January 21 at 7:30 p.m. in the courthouse was set as the time for the annual public meeting held by the district. Among details of the program as discussed at the meeting will be presentation of a new film on deer management prepared by the state Fish and Game Commission. The district officials said the film "should be seen by all counties interested in wildlife, particularly representatives of the fish and game clubs."

The district board decided to inaugurate a long-range study of the natural resources of the county and their ideal use for future development. The survey is scheduled to continue throughout the year.

A budget of \$1,767.80 was adopted for the coming year.

WILL PRESENT MUSIC, DANCE OF SCOTLAND

"Caledonia!" a production of the Singers and Dancers of Scotland, will appear at Saint Joseph College, Monday, at 7:45 p.m. in dePaul auditorium, under the auspices of the Arts Program of Saint Joseph's and Mount St. Mary's College, Emmitsburg.

Under the direction of founder Andrew MacPherson, the company will perform at the Emmitsburg campus in the course of its third American coast-to-coast tour.

"Caledonia!" made its American debut three seasons ago scoring an instantaneous hit. Because of the outstanding success of its first tour, the Singers and Dancers have been called back for a second and third tour which will again take them across the United States and Canada.

MUSIC, DANCES

"Caledonia!" is a production that presents a complete panorama of Scotland through the authentic music and dances of that country. A special section of the program is devoted to songs set to the poems of Robert Burns. The featured soprano soloist is Hilda Stewart, a native of Glasgow, who studied at the Royal Scottish Academy of Music. Heading the dance wing is Billy Forsyth who placed first in the 1963 World Championship Competition held in Scotland. The bagpipe airs are played by one of Scotland's foremost pipers.

The public is invited to attend the performance. Admission is \$2 and tickets may be purchased at the door.

RECORD HOP SATURDAY

The Gettysburg Youth Center will be closed tonight because of the basketball game and dance at Gettysburg High School. Saturday night a record hop will be held at the center on N. Washington St. from 8 to 11 o'clock with Bob Colehouse of Hanover as the disc jockey.

DOZEN PLEAD GUILTY; FINED IN PARK CASES

U. S. Commissioner Ronald J. Hagarman Thursday fined 12 persons a total of \$250 for violations occurring on the Gettysburg Battlefield between November 25 and December 22. All had entered guilty pleas.

Five of the charges were for speeding; one was for driving on South Confederate Ave. after the closing hour at night; one for allowing a dog to run at large on the battlefield, and five for having firearms in vehicles.

Those who paid fines of \$20 each for driving in excess of the posted speed limit were Theodore A. Wachhaus, Fairfield R. 2; Delmar P. Richardson, Orrtanna; Eleanor P. Cunningham, Gettysburg R. 2, and Dr. Ralph B. Jackson, Mummasburg Rd., all charged with speeding on W. Confederate Ave., and Gary W. Crider, Waynesboro, charged with speeding on Reynolds Ave.

Charles L. Bollinger Jr., Gettysburg R. 3, paid a \$20 fine for allowing a dog to run at large on the battlefield.

Albert Kimple, Gettysburg R. 2, was fined \$20 after a Savage 300 rifle was found in the back seat of his car when he was checked during the hunting season on December 8 at 5:15 p.m. on S. Confederate Ave., near Big Round Top.

Fines of \$25 each were levied on four young men charged with firearms violations during the hunting season. Robert L. McIntyre, Hanover, and Sheldon Martin, Littlestown R. 1, were arrested when the two young men, both in hunting clothes and each with a rifle in his possession, were found parked in McIntyre's pickup on Sickles Ave., at 7:15 a.m. on December 3.

NAB TWO STUDENTS

Two Gettysburg College students, William L. Gotwals and William F. Salminen, were arrested December 2 at 5:15 p.m. when checked in a car south of Big Round Top which a rifle on the floor behind the front seat.

The driver charged with being on S. Confederate Ave. 50 minutes after the avenue was closed for the night on December 5 was Roy Milton Fairman, Gettysburg R. 2.

DR. MYERS IS SPEAKER FOR UNION SERVICE

"Unity Through Prayer and Thanksgiving" was the theme of the sermon delivered Thursday evening by the Rev. Dr. Jacob M. Myers, Old Testament professor at the theological seminary here, at the third service in the Week of Prayer series for Fairfield community. The service was held in Zion Lutheran Church there.

This evening's guest speaker will be the Rev. Dr. Dwight F. Putman, Harrisburg, president of the Central Pennsylvania Synod of the Lutheran Church in America. The Rev. Alfred Gotwalt, pastor of the Orrtanna EUB Church, will be in charge of the service and the choir from Mt. Hope EUB Church will give special music.

Dr. Myers based his sermon on the 34th Psalm and said the two primary aspects of bringing men to God are the Word of God

GET CONVENTION QUERY

The Gettysburg Chamber of Commerce has received an inquiry from the Pennsylvania Society of X-Ray Technicians' convention committee about possible arrangements for holding a state convention here. About 200 would attend the gathering. The inquiry has been turned over to the Gettysburg Travel Council.

SUSPECT SUKARNO'S WALKOUT IN U.N. MEANS FULL MILITARY ATTACK ON BORNEO FRONTIER

By TOM HOGE

UNITED NATIONS, N.Y. (AP) — President Sukarno's announcement that Indonesia has walked out of the United Nations stirred speculation today that it foreshadows an all-out military attack on Malaysia.

These suspicions at U.N. headquarters were heightened by a letter from Malaysia to the Security Council charging that Indonesia is building up its forces along the Borneo frontier between Malaysia and Indonesia.

The Malaysian government said it would seek U.N. aid at once if Indonesia launches attacks more intensive than the sporadic guerrilla raids it has been making across the Borneo border and the small parties of infiltrators it has been landing on the Malaysian Peninsula.

Sukarno claims Malaysia is a device to preserve British colonialism in Southeast Asia and has pledged his nation will crush the young federation before next year.

An Indonesian source at the United Nations said a stepup in armed attacks on Malaysia was possible as a result of Indonesia's withdrawal from the organization.

"We are strong enough to crush Malaysia, a stooge of neo-colonialism, due to arms aid from the Soviet Union," he said.

SOVIET ARMS

The Soviet Union has supplied Indonesia more than \$1 billion in arms but deliveries declined in 1964. The Russians have advised the Indonesians not to quit the United Nations, but Indonesian sources in Moscow said the Soviet Foreign Ministry had informed their embassy the walkout would not affect the Kremlin's policy toward Indonesia.

U. N. officials waited for Sukarno to communicate his walkout announcement in writing. Members of the Indonesian mis-

Air Force Veteran And Father Of 3 Children Is Arrested As Soviet Spy

By LARRY FRIEDMAN

NEW YORK (AP) — Robert Glenn Thompson, 29, a husky Air Force veteran, faces a possible death sentence on charges that he sold military secrets to the Soviet Union with the aid of three Russians.

One of the Russians, named as a co-conspirator in the three-count federal indictment Thursday, was ordered expelled from the country by the State Department. He is Boris V. Karpovich, a counselor in the Soviet Embassy in Washington.

FREED ON BAIL

Thompson pleaded innocent at his arraignment on charges that he furnished military data to Soviet agents from 1957-1963 and received payments totaling \$1,700. U.S. Atty. Joseph E. Hoey commented that payments listed in the indictment were only samples and that there were many more.

Thompson was released in \$15,000 bail by U.S. Dist. Judge Walter Bruchhausen in Brooklyn. No trial date was set.

His German-born wife, Eveline, 26, whom he married while serving with the Air Force Office of Special Investigation in Berlin, was at the arraignment. They have three children, Patricia, 9, Karen, 6, and Dean, 2.

"I don't believe any of these charges," Mrs. Thompson told newsmen. "My husband would never have done anything like this against his country. He will be cleared."

The indictment alleges that Thompson was involved in an espionage network, obtaining information for the Russians on U.S. military installations, missile sites, code books and intelligence and counterintelligence activities, including the identity of American agents. The government alleged 13 overt acts.

HAS GAS STATION

The spy operations were said to have occurred in East and West Berlin and later on Long Island where Thompson lives.

SIX FORMER LEGISLATORS GO ON PAYROLL

HARRISBURG (AP)—The Governor's office says six former Republican legislators have assumed state jobs since the November election.

At least two others are being considered for posts in the Scranton Administration, William G. Murphy, secretary to the Governor, reported Thursday.

Gov. Scranton told his news conference this week that former lawmakers usually make good state employees because of their experience in government.

"PAYOFFS" SAYS MORSE

Democratic State Chairman Otis B. Morse suggested, however, that "political payoffs" may be behind the appointment of former lawmakers to administration posts.

"Gov. Scranton's political appointments of defeated Republican candidates to high-salaried state jobs has helped to push the state payroll figure to an all-time high," Morse said in a statement released today.

"What except political payoffs justify the appointment of W. Stuart Helm, a defeated Republican state-wide candidate, to a \$13,000-a-year post in the governor's office..." asked Morse.

OTHERS CONFIRMED

The appointment of Helm, former House Speaker who ran unsuccessfully for the office of State Auditor General, was announced by the Governor on Wednesday.

Murphy Thursday confirmed that former Reps. Joseph R. Edwards of Somerset County and Albert L. McCandless of Butler County have been on the payroll since mid-December.

Edwards and McCandless each are receiving \$7,407 a year as members of the Management Audit section of the Inheritance Tax Division, Revenue Department. They are working in their home localities.

Former Reps. Cecil Leber, knight, R-Cambria, and Austin M. Harrier, R-Clearfield, are being considered for posts in the anti-poverty program in the State Commerce Department, Murphy said.

Also on the payroll are former Rep. Ralph Down, R-Mercer; former Rep. Eugene S. Rutherford, R-Lancaster, and former Sen. M. Harvey Taylor, R-Dauphin.

FILE DAMAGE SUIT

The F and C Distributing Co., Funkstown, Md., has brought an action in trespass in Adams County court against William White Jr., Fairfield R. 1. According to the papers filed in the prothonotary's office by Attorney John A. MacPhail, Stanley R. Campbell and William Forrest, operators of F. and C. Distributing Co. allege that on March 3, 1964, at 1 p.m. in Fairfield, their two-ton van was in a collision with a truck operated by White. They allege that White entered Main St. in Fairfield from Miller Ave. and made a left turn in front of their truck despite a stop sign. They ask damages of \$1,597.50.

GUNMAN SENTENCED

PHILADELPHIA (AP)—A 19-year-old New York man wounded in a rooftop gun battle with police last fall, has been sentenced to 6 to 15 years. Franklin Carter was wounded in the legs and back in the exchange on the roof of a center city building last Oct. 3. He pleaded guilty last Nov. 19, and Judge Samuel J. Feigus, a visiting judge from Fayette County, pronounced sentence Thursday.

Miss Marie E. Hollinger, Manchester R. 1, sister of the bride, was maid of honor. Terry W. Reynolds, Littleton, was best man.

PRICES FALTER

NEW YORK (AP)—The stock market rally carried part way into its fourth straight session but faltered early this afternoon as prices turned mixed. Trading ticked along at Thursday's active rate which should put volume around the five-million-share level.

Normal profit taking took effect, brokers said, following the week's big upsurge and in view of the approaching weekend.

VETS TO MEET

The Gettysburg barracks of the Veterans of World War I and its auxiliary will meet Monday evening at 8 o'clock in the Veterans of Foreign Wars home, E. Middle St. Commander Frank M. BURCH WANTS TO KEEP POST TO AID PARTY

By WLATER R. MEARS
WASHINGTON (AP)—Republican National Chairman Dean Burch insisted today he can help build a GOP comeback, but his foes claimed the votes to oust him and to put Ray Bliss in his place.

"I seek to remain as chairman because this nation needs a two-party system," Burch said in an address prepared for the National Press Club. Only "a political miracle," he said, could have elected a Republican president in 1964.

Bliss, the Ohio State GOP chairman, was silent. But one top Republican said the forces opposing Burch have the National Committee votes to demand his ouster. This source said they have settled on Bliss as the man to succeed him.

SEEKS UNITY

Counseling party unity and cautioning against "the dictates of radicalism in any form," Burch said he wants and intends to remain in the chairmanship for which he was tapped by Republican presidential nominee Barry Goldwater.

"I believe I can assist in achieving that unity, in preparing the Republican party, in satisfying the desire of the American people for a society that is great mostly because it remains free," he said.

Burch conceded the Republicans made some mistakes during the 1964 campaign. He did not say what they were.

But he added: "The political environment for any Republican presidential contender in the year 1964 could hardly have been worse."

BANKRUPT OIL KING CHANGES INNOCENT PLEA

NEWARK, N.J. (AP)—Bankrupt vegetable oil king Anthony DeAngelis changed his plea from innocent to guilty today on three counts of an 18-count federal indictment involving him in a \$100-million conspiracy.

The stocky, 49-year-old DeAngelis retracted his earlier plea and entered the new one before U.S. Dist. Judge Reynier J. Wortendyke Jr.

Wortendyke accepted the changed plea to one count and then began questioning DeAngelis concerning the other two counts. He did not immediately accept the new plea to the other counts.

PROMISED NOTHING

The judge also asked DeAngelis if he had received any promises of favor for the new plea.

"Your honor, I have been promised nothing," DeAngelis said.

DeAngelis had been indicted with four other men last March on charges of conspiring to circulate \$100 million in fraudulent or forged vegetable oil warehouse receipts.

The five allegedly conspired to use the receipts as collateral for loans for the Allied Crude Vegetable Oil Refining Corp. of Bayonne, N.J., of which DeAngelis was president.

The firm filed for bankruptcy in November, 1963, and its collapse set off a chain reaction of bankruptcies or reorganizations involving at least a dozen other firms, including two old-line New York brokerage houses. A multimillion-dollar scandal came with the crash.

21,790 Register At PSU; Up 1,000

UNIVERSITY PARK, Pa. (AP)—Registration for the winter term at Pennsylvania State University reached 21,790 today, up 1,012 from the 20,778 reported at the close of registration a year ago.

Registrar Robert G. Bernreuter said the figure is subject to later correction. The incomplete total shows 17,505 students at University Park, and 4,285 at the other commonwealth campuses.

BANKER ON BAIL

SCRANTON, Pa. (AP)—Robert E. Hughes, a former employee of the First National Bank in Hazleton, was freed in \$5,000 bail Thursday on charges of making false entries at the bank. He was arrested near Lehighton Wednesday in the investigation of a \$43,000 shortage, said the police.

URGES TAX BREAK

WASHINGTON (AP)—Parents with children in college or students paying their own way in school would get a tax break under a bill introduced by Sen. Hugh Scott, R-Pa. The bill, introduced Thursday, would grant taxpayers a deduction of up to \$1,000 for each child they are putting through schools. Students financing their own education would get a similar deduction.

COURT ACQUITS FORMER MAYOR

PHILADELPHIA (AP)—A U. S. District Court Judge has thrown out two of five counts charging former Reading Mayor John C. Kubacki and Abraham Minker with extortion in parking meter contracts.

Judge Alfred L. Luongo granted motions Thursday to acquit Kubacki and Minker on charges of extorting \$3,000 from the Koonz Equipment Corp. of Pittsburgh.

He granted the motions on grounds that Koonz exerted undue influence to get the contract.

Kubacki and Minker still must face trials on charges of receiving a \$7,500 payment in another contract for 500 meters from Karpark Corp. of Starkville, Miss. Kubacki also faces trial on

charges of receiving an \$880 clock from Herschede Hall Clock Co., a Karpark subsidiary.

Both Kubacki and Minker also face sentencing on income tax evasion charges. Kubacki is free on bail and Minker is serving a four-year prison term for evading gambling taxes.

Princess' Guest House Rocked By Explosion; Police Arrest Ten Men

By COLIN FROST

ABBEYLEIX, Ireland (AP) — Police arrested 10 men at the end of a 20-mile car chase early today after an explosion that shattered windows in Princess Margaret's Irish holiday mansion.

The blast, from a shorted-out power station, put out the lights of Abbeyleix house where Margaret and her husband, Lord Snowdon, are visiting his brother-in-law and sister, Viscount and Viscountess de Vesci. No one was hurt.

Police jumped into action and quickly cornered a group of men in a wood near the house. A gasoline bomb was thrown. As the bomb burst with a bright flash, the men — believed to be members of the outlawed Irish Republican Army — made a break. No one was hurt by the bomb.

16 IN GROUP

Police sources estimated there were about 16 men in the group. They piled into cars and roared off, pursued by squad cars. Some 20 miles farther on, seven men were captured.

Police had thrown a cordon around the 18th century mansion when the princess arrived Thursday with her husband.

The police said saboteurs about 11 p.m. threw a heavy wire across high-tension cables near the De Vescis' mansion. The resulting short circuit exploded a transformer unit about three miles from the house. The town of Abbeyleix and the surrounding countryside were blacked out.

It all apparently was part of an IRA campaign to make the sister of Queen Elizabeth II feel unwelcome in Ireland.

DEMAND EXPULSION

Earlier the town had been plastered with pamphlets and slogans demanding expulsion of Princess Margaret and Lord Snowdon from Ireland "as representatives of an occupying power."

Detectives spent the night searching the 12,000-acre De Vesci estate by flashlight. Squads of police guarded every entrance.

The royal couple came to Abbeyleix after visiting Snowdon's mother, the Countess of Rosse, at Birr Castle.

Though officially disbanded three years ago, the IRA is still campaigning to end the partition of Ireland into the republic and the six Ulster counties in the north. The latter are still part of the United Kingdom.

Members of the IRA have stressed that they mean Margaret no personal harm.

FIREMEN PLAN

of land and erect a new building. Robert Baker, chairman of the committee, was asked to report at the February meeting.

Fire Chief Robert Baker reported that the company was called to 15 fires in 1964, three of which were to assist other companies. There were five grass fires, one building blaze, four truck and automobile and two miscellaneous fires.

SUPPER IN APRIL

The company voted to hold the annual roast chicken supper April 10 in the Biglerville High School cafeteria and set the date for the annual carnival as July 13-17. Members discussed holding a beauty pageant at the carnival and selecting a queen, but no definite action was taken.

President Dale Guise reminded firemen that the Adams County Fire Police will meet at Centennial Monday evening at 8 o'clock. Films of Yugoslavia will be shown.

George Roth and Donald Rouzer were appointed to the canteen committee for February.

The balance in the ambulance account was reported at \$601.33. The balance in the regular account was \$906.56.

President Guise presided at the meeting attended by 19 members.

PROCLAIMS "LAW DAY"

WASHINGTON (AP) — President Johnson today proclaimed May 1 as "Law Day U.S.A., 1965" and called upon the American people "to rededicate themselves to our nation's ideals of equality and justice under law and to our responsibilities as free men."

The proclamation was issued pursuant to an act of Congress setting aside the first day of May each year as Law Day.

PROTESTANT GROUPS WILL FIGHT BUS BILL

HARRISBURG (AP)—A Protestant clergyman says he will request a meeting with Gov. Scranton to voice opposition that would permit Catholic school children to ride public school buses.

The Rev. S. William Hollingsworth, pastor of the Simpson Methodist Church in Altoona, said he wanted "to express the concern held by (his) group . . . that legislation to finance non-public school buses contains inherent dangers to the public school system."

He spoke Thursday after being elected chairman of a newly formed committee to fight any attempt by the General Assembly to legalize public transportation for private and parochial school children. The committee calls itself "the friends of the public schools."

FAVORED BY SCRANTON

Scranton has said he will ask the legislature to permit private and parochial school children to ride public school buses over established routes. He contends it would not be in violation of separation of church and state.

The Rev. Mr. Hollingsworth said the following organizations were among the founders and endorers of his committee:

Pennsylvania Council of Churches, Pennsylvania Baptist Convention, Pennsylvania Conference of Seventh Day Adventists, Methodist Judiciary, various Presbyteries, units of the Evangelical United Brethren Church, the Protestant Ministerial Union of Pittsburgh and Allegheny County and the Loyal Order of Orangemen.

Papers Are Filed In Three Estates

The will of Prof. Herbert G. Hamme, late member of the faculty of Gettysburg College, who died December 27 at age 67, has been entered for probate at the office of the county register and recorder.

Will Eliminate Inventory Tax

The Taneytown borough council Monday evening voted to eliminate the inventory tax levied on businesses in the borough to coincide with the tax program in effect in Carroll County.

The tax will be eliminated within the next 10 years and will mean a considerable reduction in revenue for the borough. However, normal growth of the community is expected to offset the tax loss.

Council studied a six-month budget based on current receipts and expenditures and made initial payment to Norman Sauble for additional land acquired for Memorial Park.

Lamar Dotter, University of Maryland advisory service, discussed codification of the town's ordinances, a program which is expected to be completed within the next six weeks.

The police department reported 21 parking violations, 19 warnings and four state summons during the month. The treasurer reported a balance of \$17,955.70 in the general account and \$2,143.96 in the parking meter fund.

P.A. LEADERS OF GOP WOULD DUMP BURCH

HARRISBURG (AP)—Pennsylvania's top Republican leaders met at Indian town Gap Thursday night and reaffirmed their contention that Dean Burch should be replaced as the party's national chairman.

Gov. Scranton called the high-level meeting, and among those who attended were U.S. Sen. Hugh Scott and Republican State Chairman Craig Truax, both of whom, along with Scranton, have called for the ouster of Burch.

The meeting was closed to news media, but Jack L. Conmy, Scranton's press secretary, said Burch was one of the main topics of discussion.

PREDICTS REPLACEMENT

Truax, according to Conmy, reported that Burch probably would be replaced as national chairman later this month when the national committee meets in Chicago.

Conmy said Truax based his forecast on word received from Republican leaders in the mid-west and West.

Earlier Thursday, Scott told a news conference in Washington that he would work actively for Burch's ouster and his replacement with a man who could unify all segments of the party. The Senator said he had no preference for a replacement for Burch but would support any of the nine men mentioned last month by Scranton. The list included Govs. Robert Smylie of Idaho and John Anderson of Kansas.

Scranton has called for the ouster of Burch as a symbol of new leadership and unity in the GOP. The Governor has said the national party, under Burch, practiced a policy of exclusion, especially in regard to Negro voters.

Burch was hand-picked for the national chairman's job by former Sen. Barry Goldwater of Arizona following his nomination for president. Scranton had challenged Goldwater for the nomination but lost.

Others attending the meeting were George I. Bloom, secretary of the commonwealth and former state GOP chairman; Frank P. McGinn of Philadelphia, state party financial chairman; and June Honaman of York, state party vice chairman.

Some looked on him as a "good joe — a guy who would do anything to help you out."

To others he was a man who kept pretty much to himself, and had little to do with his children other than to discipline them.

and in New York, Detroit, Washington and Great Falls, Mont.

Thompson, a native of Detroit, operates a service station on Long Island, where he also runs an independent fuel oil business. He joined the Air Force in 1952, and served in West Berlin, Labrador and several bases in the United States before his discharge in 1958.

Thompson's arrest by four FBI agents at noon Thursday, came as hardly a surprise to him.

"Thompson knew he was under investigation, having been questioned as long as a year ago," his attorney, Sidney Siben, told the court.

Despite a court-martial, Thompson remained in a position of trust with the Air Force in Germany.

On Jan. 9, 1957, the FBI said, he was convicted of being unfit for duty because of drunkenness, leaving his post and stealing a revolver.

He was demoted from airman first class to airman second class, and forfeited \$67 in pay.

OTHERS INVOLVED

The indictment against Thompson named these co-conspirators: Karpovich, who once worked at the United Nations as an interpreter and used the alias "John Kurinsky"; Fedor Kudashkin, former chief of the Soviet section of verbatim reporters at the United Nations; and a Russian named only as "Steven."

Kudashkin returned to the Soviet Union in August, 1963, "for imperative family reasons." This coincided with the end of Thompson's alleged spy activities which, the indictment said, ran from June 1957 to July 1963.

The indictment said the Russians provided "large sums of money" to finance Thompson's activities. He is said to have received his instructions by short-wave radio.

HAD 15 FOOT AERIAL

Thompson's Bay Shore, N.Y., home is equipped with a 15-foot radio aerial. Neighbors said this was used to transmit radio instructions to his oil trucks over a citizens band.

Thompson, 6-foot-2 and 250 pounds, presented a varied image to his neighbors.

Some looked on him as a "good joe — a guy who would do anything to help you out."

To others he was a man who kept pretty much to himself, and had little to do with his children other than to discipline them.

CHURCHWOMEN

(Continued From Page 1)

Circle to conduct devotions at the quarterly general meeting in February and the Martha and Mary Circles to serve as hostesses. The theme of the general meeting will be "The Church's Mission Among New Nations."

Miss Margaret Sanders, faith and life chairman, announced a workshop for program chairmen January 27 at 7:30 p.m. in the Maude Miller Room, and named the following topics to be discussed at circle meetings: January, "Do We See Them?" discussion of the elderly; February, "New Nations"; March, "The Church Is Your House"; April, "Change Is a Challenge"; "Concern Is the Keyword."

DUTIES ASSIGNED

Mrs. Carl E. Prosser and Miss Mildred Widdier, Christian action co-chairmen, named the Deborah and Dorcas Circles to conduct a service and provide a gift of fruit at the Adams County Home for the Aging January 17, and the Elizabeth and Hannah Circles in February.

Mrs. Robert E. Miller, outreach and fellowship chairman, furnished circle leaders with lists of active members, prospective members and shut-ins. "The Message for Today" was distributed to the circles for shut-ins.

Decision was made to serve coffee and cookies at a fellowship hour after the Mission Week service January 25, and coffee and doughnuts at a meeting of the board of the Gettysburg Council of United Church Women in the Maude Miller Room January 29, when Mrs. Horace H. Waybright will be installed as president; that volunteers will serve at the snack bar at the Warner Hospital and that Lenten Week of Prayer services will be held each day March 8 through March 12.

The next board meeting will be held Wednesday, February 3, instead of February 4 due to the fact a School of Religion session will be held Thursday, February 4.

The following circle meetings will be held this month: Tuesday, January 12, Mary Circle, Mrs. K. O. Deardorff and Mrs. Nevin Bush, leaders, in Maude Miller Room at 1:30 p.m.; Dorcas Circle, Mrs. Sara Hamsher, leader, at the home of Mrs. J. prayer and only on the lips of a disciple can it have full depth and meaning.

"Look at the whole prayer. It was not haphazardly put together and it is evident that it was not formulated by a human man but by the Son of God. The beginning 'Our Father' indicates a close and warm relationship."

The Rev. Mrs. Lena Parr, host pastor, presided and led in prayer. The church choir led the hymns with Mrs. Richard Shealer as guest organist. Miss Glenda Hess, guest soloist, accompanied by Mrs. Vergie Hess at the piano, sang "Great Is Thy Faithfulness, Lord, to Me."

The acolyte was Terry Barnes who also served as usher with Jerry Stanton.

The service this evening will be held in Christ Lutheran Church with the Rev. Dr. Howard Schley Fox, pastor of Trinity United Church of Christ, as the speaker. There will be no service Saturday evening. The concluding service will be held Sunday evening in the Memorial EUB Church.

Reading Twp.'s Collector First

Harold D. Hartzell, Reading Twp. tax collector, today was the first of the county's collectors to forward his annual report to the county clerk of court's office.

The report shows collection of \$91,049.98 in taxes from the 608 owners of real estate and 768 assessed for occupations in the township. The collection included \$10,346.49 for the township, \$12,331.64 for the county and \$68,371.85 for the school district. The collection was made at a cost of \$4,298.31 of which \$4,207.80 represented the tax collector's commissions. The collector had expenses of \$463.24. A total of \$8,788.95 in taxes was uncollected as of the end of the year.

SEEK CAMPOREE SITE

District committee members were encouraged to attend the York-Adams Council dinner January 27 at York. District Committee chairmen were asked to attend a meeting January 19 at York of the various district committees of the York-Adams area council.

Camping and Activities Chairman Paul Hollinger announced that his committee currently is seeking a site for the May camporee.

During reports of institutional representatives, the report of G. Edwin Motter of a calendar of events for 1965 drawn up for Boy Scout Troop 75 attracted attention and other unit representatives will recommend their organizations set up such schedule.

The Gardners-Idaville Boy Scout troop calendar includes a month-by-month listing of activities. This month it has a paper drive on January 9; Green Bar Camp-out and training January 15 to 17; Green Bar meeting January 21, and Troop Day Hike, January 30. Among planned activities is the planting of 6,000 trees at the Roy Weidner property and 500 trees at the Scout cabin in April. A 50-mile hike June 27 to July 1 is another featured event.

The service was attended by the largest audience so far during the current series that will close on Sunday evening when Prof. Francis Reinberger of the seminary faculty here will be the speaker.

The Rev. James Lesher, pastor of the Iron Springs Brethren in Christ Church, was in charge of the service Thursday evening. The Senior Choir of Zion Lutheran Church sang "The King of Love My Shepherd Is" with Helen McCleaf as organ accompanist.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

FIFTEEN YEARS AGO

The infant 1950 was born promptly at the stroke of midnight Saturday night, and whatever trials and tribulations the child may face as it grows up its arrival was heralded hilariously at many parties and dances in Gettysburg.

Factory whistles were almost two minutes late with their noisy welcome to 1950 according to radio sets. In downtown Gettysburg it was noisy but not disorderly. Those on the streets at the stroke of midnight joined in the choruses of "Happy New Year" but police said there were no disturbances to mar the celebrations.

Watch night services were held in several churches and Sunday saw the opening of the annual Week of Prayer services.

Times Staff Picks Top News Stories Of 1949: What were the important local news events of 1949?

Members of the news staff of The Gettysburg Times, the men who write the news, day after day, have selected what they consider the news stories which highlighted the year 1949. Here are their selections:

Carnival raid by state police. 86th Anniversary celebration of Battle of Gettysburg.

Sunday movies adopted. Knouse Foods, Inc., organized. 1949 Glidden Tour starts from Gettysburg.

Modernized Lincoln highway section is opened. Borough buys water company. Library Association buys old jail.

New Health board named. Wm. G. Weaver elected burgess.

Ray H. Simmons denied review of case by U. S. Supreme Court and appeal to state pardons board.

Two love lives in fire at home of Frank Hamilton. Gettysburg College beats Bucknell eleven.

Gettysburg wins Middle Atlantic wrestling tournament. Airmail pickup suspended. Pennsylvania Week observed. Voluntary fire inspection.

Fire destroys Stough Motors, New Oxford. Firemen vote to buy radio equipment. College building program starts with ground broken for women's dorm.

London, Jan. 4 (AP) — A little kitten with a whopping dizzy spell wound up yesterday in Peggy Bloom's cat clinic.

A truck driver who helped the dizzy kitty stagger in said she had done 5,000 loops through the streets of London.

She had whirled an estimated 12 miles — wedged between the double wheels of the driver's truck.

It took about an hour to unwind her.

Nine Gettysburg high school girls are taking part in the annual cherry pie baking contest being conducted this afternoon in the school cafeteria under the direction of Miss Helen Keefe, home economics instructor.

Contestants include Helen Bridendoff, Inez Larmer, Alice Cluck, Barbara Miller, Gloria Jane Weber, Barbara Rummel, Geraldine Caskey, Anna Hall and Laura Witherow.

The judges are Mrs. Richard Brown, Miss Louise Frazier, home economist for the Manufacturers Light and Heat company, and Miss Elizabeth Howells, home economist for the Metropolitan Edison company.

U.S. women bought 279,354,000 pairs of shoes in 1963.

Today's Talk

THINGS TO DO

People who have things to do rarely get into trouble. They haven't time. There is no part so valuable as work. Even when disappointment comes, or sorrow, or temporary defeat, if you will make it a point to have things to do, everything is sure to brighten.

Busy people are the happiest because they see things being accomplished, and that is what gives incentive to us all. I once knew a secretary who told me that every night she placed upon the desk of her employer a little slip with ten things to do the next day. No part of the day is so important as the first few hours. Then it is that the mind is freshly clear and so much more can be accomplished if there is an immediate program awaiting one.

Even when the work of the day is over, if we have things to do that will be in contrast to the things done at one's place of business, the day is that much more enriched. It's interests and things to do that often keep us from being sorry for ourselves, or from needless worries.

Jesse Stuart in a book about teaching entitled "The Thread That Runs So True," told how, as a teacher, he kept otherwise unruly pupils busy and happy — because he gave them things to do that interested them, arousing their curiosity and stimulating their desire to learn.

Idle people are always complaining. The police have no trouble with those who work and have things to do. One has friends who always stimulate one whenever they meet. Ideas are always stirring in their minds.

A child, with nothing to do, is unhappy and troublesome. It is the same with those who are mature. All days are too short for the one who always has things to do. Reading in the delightful books of David Grayson one comes across so many instances where he gained great joy and profit in the little things that he did, in his home and about his farm. His presence in the world is missed by the thousands who knew and loved him — but he lives in the books that he wrote.

Just Folks

THE CHANGING WORLD

They say things are changing, and that I believe. A much different world than is this men conceive, But for what we call sorrow all ages will grieve.

The desire of all hearts is to live unafraid, A place in the sun and a place in the shade, And this will be so when the changes are made.

Men will laugh at a jest and delight in a song, Think pleasure too brief and their duty too long, And still have their notions of right and of wrong.

A maiden will marry some other dave's son, She'll run the same risks which all women have run, And do the same tasks which all housewives have done.

So, youngsters, be eager to learn all you can, To share in the work of the new world they plan; A world that will still need what's best in a man.

UMW Lowers Age For Retirement

PIKEVILLE, Ky. (AP) — A lowered pension age in the United Mine Workers' retirement system will put money into the pockets of many presently unemployed Kentucky miners, officials said Thursday.

The new age is 55. It had been 60.

No exact figures were available, but UMW officials said large numbers of members, especially in economically depressed eastern Kentucky, will qualify for immediate retirement and that most are unemployed now.

Those who qualify will get \$85 a month. The lower age is effective Feb. 1.

ASK RESEARCH FUND

HARRISBURG (AP) — Westinghouse Electric Corp. is asking the State Coal Research Board for \$54,000 to study the removal of acid from mine drainage.

Dr. H. B. Charnbury, secretary of mines, said Thursday the board would decide on Westinghouse's proposal in about a week. He added that the board, of which he is chairman, appeared impressed with the firm's presentation.

Says Israeli Secret Agents Terrorize German Scientists Working For Nasser In Egypt

EDITOR'S NOTE —The writer of this dispatch an AP correspondent in Germany, has visited both Egypt and Israel to report reactions to work on rockets by German citizens hired by Gamal Abdel Nasser.

By CARL BUCHALLA

CAIRO (AP) — German rocket scientists working for Egypt live in terror of Israeli secret agents. Bodyguards accompany them. Their homes are protected, their mail examined for explosives. Their addresses and phone numbers are secret.

"We are not anti-Semites or old Nazis. We are just scientists doing a job. We would leave Egypt immediately if the Israelis would give us guarantees to abandon their hunt for us," said their leader, Prof. Wolfgang Pilz, a wartime colleague in Germany of America's Werner von Braun.

The German rocket experts are caught up in a web of German-Jewish-Arab differences. For four years, they have helped Egyptian President Gamal Abdel Nasser build rockets which he claims can hit Israel.

WITH BODYGUARD

The Israelis demand that the West German government get the German scientists to withdraw their assistance to Nasser. Braun wants to be on good terms with both Egypt and Israel. It says the Germans are private citizens and can work where they please, according to the German constitution.

"There is no where we can be safe now except here," Pilz told this correspondent on the terrace of a club on Cairo's outskirts. Two tables away sat a bodyguard, observing us constantly.

ASSISTANT DISAPPEARED

Pilz recounted incidents which he attributed to the Israeli secret service:

In 1962, one of his assistants, Dr. Heinz Krug, disappeared in Munich while on a visit from Cairo. "I believe he was kidnapped and is dead," Pilz said. Another assistant, Hans Kleinwechter, escaped a pistol attack by two men while visiting his home in Loerach, Germany, in 1962.

Late that same year, a letter addressed to Pilz containing an explosive injured his secretary, Hannelore Wende, and caused near-blindness. Another package received at Nasser's rocket factory at Helipolis, where Pilz and his assistants work, killed five Egyptian technicians and injured six.

READY TO LEAVE

The next year, an attempt was made in Switzerland to threaten the son and daughter of another assistant, Prof. Paul Giercke, who since has returned to Germany.

"I am still ready to leave and so are my colleagues," said Pilz, "but we cannot go until Israel fulfills three conditions. First, that our personal safety is guaranteed in the future. I do not want to go home and then be murdered in the streets of Bonn."

DENY KNOWLEDGE

"Second, Israel must admit, on some sort of official level, its responsibility for past incidents and express its regrets, because this is necessary for the third step. This should be an appropriate compensation for the injuries sustained by my colleagues."

In Jerusalem, an Israeli Foreign Ministry spokesman rejected this proposal, saying: "Our discussion partner must be the Bonn government, not Prof. Pilz."

The Israeli spokesman denied any knowledge that Israeli agents were behind the incidents reported by Pilz.

STEEL TALKS SUSPENDED 'TIL ELECTION

PITTSBURGH (AP) — The AFL-CIO United Steelworkers and the basic steel industry will suspend negotiations for a new labor contract until after the USW elections next month, it has been learned.

Announcement of the suspension until at least Feb. 15 was expected today. The election is Feb. 9.

Word that talks would break off came Thursday night as the campaign between USW President David J. McDonald and secretary-treasurer I. W. Abel, who seeks to end McDonald's 12-year rule, reached a peak.

SEE CLOSE RACE

Since Abel announced his candidacy in November there had been industry fears that the power struggle would have an effect on bargaining when the contract was reopened Jan. 1.

However, it was not until Thursday that either McDonald's or Abel's public comments underlined this possibility. These comments came at separate news conferences.

Despite the suspension some important questions will remain when bargaining resumes. It also increases the possibility a settlement will be delayed.

The McDonald-Abel race is regarded as close—the toughest McDonald has faced since he stepped up from secretary-treasurer in 1952. Although the election is Feb. 9, ballots won't all be counted until sometime in May.

Court To Decide City Commissioner

PHILADELPHIA (AP) — The question of whether Republican David C. Rubel or Democrat Leon Sacks is a member of the city registration commission is going to the courts, according to city solicitor David G. Bauer Jr.

Bauer said Thursday he will ask the courts to decide if Rubel's or Sacks' commission to the post was effective Jan. 5.

Rubel claims his appointment by Gov. William W. Scranton began that day. If so, then he took office before the General Assembly convened Tuesday, and he does not need to be confirmed by the Senate.

In History

By THE ASSOCIATED PRESS

Today is Friday, Jan. 8, the eighth day of 1965. There are 357 days left in the year.

Today's highlight in history: On this date in 1815, the Battle of New Orleans was fought.

Gen. Andrew Jackson's entrenched riflemen turned back a force of British regulars, saving the Mississippi Valley from invasion.

On this date In 1679, the French explorer La Salle reached Niagara Falls.

In 1798, the 11th Amendment to the Constitution was proclaimed, preventing lawsuits against the federal government.

In 1918, President Woodrow Wilson issued his 14 points for establishing peace after World War I.

In 1923, France started her military occupation of the Ruhr Valley.

In 1943, U.S. bombers attacked the Tunisian port of Bizerte.

Ten years ago — The New York State Council of Churches opened a drive against proposals to legalize bingo games.

Five years ago — Iraqi Premier Abdul Karim Kassem, in a speech in Baghdad, accused the United Arab Republic of dictatorial oppression in Syria.

One year ago — President Johnson, in his State of the Union message, called for a program to end poverty and discrimination at home and a world cutback in production of materials for nuclear weapons.

Police Find Woman Suffocated By Gag

PHILADELPHIA (AP)—An investigation of mail piling up led police yesterday to the discovery of the body of Miss Jean Gelstein, 47, suffocated by a gag in her West Philadelphia apartment.

It was the 20th slaying in Philadelphia in the last 19 days.

Police entered the apartment and found Miss Gelstein's body on a daybed, a sheet and blanket over it. The body was fully clothed.

The police said a piece of cloth, possibly a part of a sheet, was stuffed in her mouth. The police said there was no sign of a struggle.

Ward, Brentzel Announced As Bullet Cocaptains At Banquet Honoring Gridders

Junior quarterback Jim Ward, Gaithersburg, Md., and Junior guard Ron Brentzel, Irwin, were elected cocaptains of the 1965 Gettysburg College football team, it was announced by head coach Gene Haas at a banquet in the college dining hall honoring the 1964 Middle Atlantic Conference champion Bullets Thursday evening.

Over 100 persons attended the banquet given primarily by alumni and Sunbury businessman John Apple. It was his way of saluting a team "for a job well done." Apple said, "I am a football enthusiast and my great desire is to see Gettysburg win. I especially like to see Gettysburg win over Bucknell since I live so close to that school." Following the Bucknell game, which the Bullets won 12-7, cocaptains Mark and Ken Snyder presented Apple with the game ball. He went on to say, "When Ken and Mark presented me with that football, I'd never been taken back so much. Money is nice to have, but money can't buy everything. That football means more to me than any amount of money I could have received."

BOTH GAINED HONORS

Ward set four school passing and total offense records last season as he guided the Bullets to the title. He completed 90 of 177 tosses for 1,233 yards and finished with a total 256 plays for 1,534 yards. He is the son of Mr. and Mrs. James R. Ward and is majoring in health and physical education.

Brentzel, the son of Mrs. Ethel Brentzel, is a 6-0, 185-pound physics major. Twice during the year he was named to the weekly all-east team for his outstanding performance against Bucknell and Lafayette. Both Ward and Brentzel were named to the all-conference and all-state teams and both received Little All-America honorable mention.

Henry T. Bream, athletic director, introduced the special guests including Apple, Dr. Harry Baughman, Dean W. E. Tilberg, Dr. John B. Zinn, Rev. W. W. Wood, Dr. W. C. Waltemeyer, Mayor William G. Weaver, Dean Ramsey Jones and Stanley Hoffman. Dr. C. A. Hanson, college president, was called out of town but asked that a message be read congratulating the team.

Among other guests were the cheerleaders, athletic staff members and 26 well wishers including such men as John Fauber, Harry Graybill, Charles "Dutch" Eby, Dave DeTar, Earl Rost, Lavern Breneman and "Fritz" Haller.

Dean John W. Shainline spoke briefly on behalf of the college staff and faculty and, in the absence of Dr. Hanson, Shainline said: "For those people I represent, I say not just congratulations to the team, coaches and trainers, but thanks for many enjoyable and thrilling minutes. Being an excoach I feel I can say your team was a great team and both players and coaches deserve every bit of recognition you have or will receive."

TEAM CREATED SPIRIT

"It is appropriate to say that you have contributed much more to this college than you perhaps realize. Dean Jones, as well as I, believe we are in a position to say that the spirit of our student body is at a high point and you have sparked this new spirit. I believe the team, the cheerleaders and the band represent the kind of students we are proud to be associated with. Let us see this, let us change when necessary, but not lose what is good."

In introducing Coach Haas, Bream stated that, for his fine job in guiding Gettysburg to a 7-2 record and the MAC championship, Haas had been nominated by the football coaches' association for the coach of the year award. He is one of eight small college coaches throughout the country from among whom the title will be awarded in Chicago later this month. Haas then introduced each member of the football team and recognized all those who had received various honors throughout the season. Each player was then presented a trophy inscribed with "1964 MAC Champions."

LOBOS WHIP ARIZONA FOR TENTH WIN

By TED MEIER

Associated Press Sports Writer
Ira Harge has graduated. So have Claude Williams and Mike Lucero. Nevertheless the New Mexico Lobos again are in the forefront of college basketball teams.

Coach Bob King's boys from Albuquerque won their 10th straight and upped their record to 11-1 by whipping Arizona State 69-48 Thursday night. At this rate the Lobos may better their 23-6 record of last season when they tied for the Western Athletic Conference championship and finished runner-up to Bradley in the NIT.

Dick Ellis, a junior from Indianapolis, led the Lobos to their home-court victory with 16 points.

10TH FOR DAVIDSON

Davidson, No. 10 in The Associated Press poll, also made it 10 in a row and 11-1 over-all by downing NYU 82-73 in the feature of a doubleheader at New York's Madison Square Garden. And fourth-ranked St. Joseph's of Philadelphia similarly made its record 11-1 by crushing Lehigh 85-55 at Bethlehem, Pa. The Hawks and Davidson were the only teams in The AP Top Ten to see action.

Davidson had to come from behind in the second half to beat NYU. The Wildcats, down by 53-47, were rallied by big Fred Hetzel. Held to two points in the first half, Hetzel led an 11-point spurt that put Davidson on top. He finished with 12 points.

Iona upset Duquesne 63-61 in the garden first game on Warren Isaac's 40-foot long shot with just two seconds left to play.

CAME FROM BEHIND

Bradley, Utah State and Arizona all came through on the road. Bradley came from 10 points back to edge Tulsa 71-69 helped by Chuck Buescher's 10 points in the clutch.

Albert Johnson's dunk basket with two seconds left gave Arizona a 62-60 overtime triumph over Wyoming. Roy Walker's 20-foot jumper with 17 seconds left gave Utah State an 86-84 victory over Utah.

Rick Barry, the nation's leading scorer, tossed in 45 points against Jacksonville as the Miami, Fla., Hurricanes overcame a 15-point halftime deficit for an 86-82 victory at Jacksonville.

CELTICS ON 10 GAME STREAK

LOS ANGELES (AP) — The Boston Celtics, who have never looked better in National Basketball Association play than they do this season, take a 10-game winning streak to San Francisco tonight.

Ten is a significant number also in the San Francisco record books. That's the number of consecutive games the Warriors have lost.

After the San Francisco contest, the Celtics return to Los Angeles for another game with the Lakers Saturday night.

The Celtics had things pretty much their own way in racing to a 112-104 victory over the Lakers Thursday night. They sank 18 field goals in the first 12 minutes and led 42-18 at the end of the first period.

Elsewhere in the NBA, Kevin Loughery scored a career high of 31 points in leading the Baltimore Bullets to a 110-105 victory over the Detroit Pistons at Baltimore. The Bullets were ahead 56-43 at the half.

Blackburn Wins For Quebec Aces

By THE ASSOCIATED PRESS
Don Blackburn, wearing the Quebec Aces' required headgear, came up with a topper of his own.

Blackburn scored the hat trick accounting for three of Quebec's eight goals in an 8-2 victory over Pittsburgh Thursday night.

The American Hockey League's Eastern Division-leading Aces two weeks ago became the first pro hockey team in over 30 years to equip all its players with helmets.

Blackburn's three goals and two by Cleveland Morton paced the Quebec attack and the Aces ran up a 4-0 lead before Pittsburgh managed its first goal. Ex Hoekstra and Blackburn

FAVOR SOUTH IN HULA BOWL

HONOLULU (AP) — The South All-Stars, led by Craig Morton, Gale Sayer and Larry Elkins, rate as slight favorites over the North in the annual Hula Bowl game tonight.

And, the South gained more of an edge Thursday when Len Cassanoga, co-coach of the North, pulled out of the game and flew back to the mainland.

Despite weather forecasts for showers, an all-out passing duel is expected, with California's Morton facing two formidable opponents in Jerry Rhome of Tulsa and Bob Berry of Oregon.

For the first time in its 19-year history, the Hula Bowl will be nationally televised. The game will be video-taped here with the tape flown immediately to Los Angeles for editing and showing Saturday afternoon on the mainland.

HARRY GILMER NEW COACH OF DETROIT LIONS

DETROIT (AP) — Harry (Cowboy Hat) Gilmer, onetime Alabama collegian forward passing sensation is the new coach of the Detroit Lions of the National Football League.

The Lions and millionaire owner William Clay Ford signed Gilmer Thursday to a reported \$35,000-a-year contract at a secret meeting at club headquarters.

Gilmer, lured away from the Minnesota Vikings where he was a top aide to coach Norm Van Brocklin for four years, succeeds the resigned coach George Wilson, victim of the Lions' coaching upheaval last month.

STAR IN '40s

The 38-year-old Alabamian, star of the great Crimson Tide teams of the middle and late 1940s and who set records galore for his era, was grabbed up by the Lions less than three weeks after Wilson's resignation following the firing of all his five assistant coaches.

Ford, of whom fans here were critical for his handling of the pre-Christmas coach removals, said he was happy to get Gilmer.

The Lions reportedly received the approval of the Vikings before they made their tender to Gilmer. The clubs were said to have talked together beforehand and the Vikings gave the Lions a go-ahead in their effort.

10-GALLON HAT

On one score surely the Lions have added to club lustre.

Gilmer, a horse lover with a stable of his own, is apt to wear his 10-gallon hat and cowboy boots out in public as well as on the football sidelines where his getup is a familiar sight to NFL fans.

Detroit won't be new to Gilmer. He played quarterback for the Lions in 1955 and 1956. But in those seasons he was in the shade of the illustrious Bobby Layne and seldom saw any action. The Lions traded him to the Pittsburgh Steelers in 1957.

The Lions signed Gilmer in a private session at club headquarters where he talked with Ford, General Manager Edwin J. Anderson, personnel boss Russ Thomas, and Bud Erickson, assistant general manager.

SECURITY FOR A. PARSEGHIAN

SOUTH BEND, Ind. (AP) — Ara Parseghian, who rose to national fame as Notre Dame football coach in 1964, has received the inevitable fruits of glory from the university.

Notre Dame has spiked his four-year contract and given him a five-year pact. Terms were not disclosed by Athletic Director Ed Krause, who made the announcement Thursday. It was not indicated if any other benefits were included. The original pact reportedly called for around \$18,000 a year.

The extension came after the 41-year-old Parseghian guided the Irish to a 9-1 football record last year. It was an unexpected and surprising accomplishment that placed Notre Dame back on the top rung after several years of floundering.

The Fighting Irish, who lost their last game of the season to Southern California 20-17, won the Football Hall of Fame's MacArthur Bowl as the season's outstanding team. Parseghian, who had coached eight years at Northwestern before his Notre Dame job, was named College Coach of the Year by the Football Writers Association of America.

hitting inside of 56 seconds midway through the first period and Quebec was never headed after that.

NAMATH WILL BE IN SENIOR BOWL CONTEST

MOBILE, Ala. (AP) — Joe Willie Namath and his \$400,000 arm have wrecked a lot of football teams, but they've never caused anybody the worry they will bring the New York Jets during the Senior Bowl game Saturday.

The Jets, who signed the Pennsylvania Hungarian last week in Miami for the grand fee of about \$400,000 aren't overjoyed that Namath will be playing in the Senior Bowl since he has a bad knee.

But Jet Coach Weeb Ewbank has given the go-ahead and Namath, who never ceases to amaze anyone and everyone with what he can do with the pigskin, has jumped into the starting spot for the South.

Coach Tom Landry had planned for a week to start Steve Tensi of Florida State, but Namath showed so much in practice, even though playing on a knee that limits his movement, that Landry said he would go with Joe Willie.

The Senior Bowl will be televised nationally by the National Broadcasting Co. and will get under way at 1 p.m., CST. The weather forecast calls for showers Saturday morning, but clear skies at game time.

The Senior Bowl marks the professional debut of the players of both teams each year. Members of the winning team will receive \$900 each, while the losers will pick up checks for \$700.

Before it was announced Thursday by Landry that Namath would start, the oddsmakers installed the South a conservative six-point choice. Namath's status most likely will send the odds up a little more.

Newport Will Meet Warriors Here Tonight

Gettysburg High's cagers shouldn't have too much trouble with Newport here this evening but the defense may find a pair of identical twins, Harry and Henry Knoose, a bit confusing. Even their coach, Ken Hultsapple, has his troubles with proper identification.

The Buffaloes have a comparatively small starting squad with the Knoose brothers being 5-7, Tim Bonawitz 5-8, Ron Chapman 6-1 and Bob Strickland 5-8. Newport ended a 25-game losing streak in the Blue Mountain League by topping Boiling Springs 51-50 on December 22.

Additional scholastic games tonight include the following: Biglerville at Boiling Springs, Scotland at Littlestown, St. Thomas at Fairfield, Bermudian at New Oxford, Delone at Lebanon Catholic, Gettysburg Junior High at Scotland, and Chambersburg Central Junior High at Delone Freshmen.

On the collegiate front Mt. St. Mary's takes on Old Dominion in a Mason-Dixon Conference game at Emmitsburg at 8 o'clock.

KEY SESSIONS FOR NCAA TO BEGIN TODAY

By JERRY LISKA

Associated Press Sports Writer
CHICAGO (AP) — The National Collegiate Athletic Association opens its 59th annual convention today, a convention that is expected to center around the bitter war with the Amateur Athletic Union over control of amateur athletics in this country.

Another major item on the agenda is NCAA concern over premature signing of collegiate athletes by professional football leagues.

The convention proper opens Monday, but the vanguard of some 3,000 delegates was on hand for today's opening session, involving registration and meeting of college track and baseball coaches.

3 MAIN PROBLEMS

Main issues when the 500-plus voting delegates — mostly athletic directors and faculty representatives — get down to business, involve what to do about the eager-beaver pros, the NCAA-AAU feud, and an academic standard for NCAA-sponsored competition.

The way will be cleared for action on the premature pro signing of football collegians at a Sunday session of the Committee on College-Professional Relations.

Walter Byers, NCAA executive director, said the NCAA's program against pros' jumping the gun in signing collegians probably will be aimed at a "reasonable course" of action.

Byers said the solution obviously was to convince the pro leagues that player drafts should be conducted after bowl games.

A furor was created before the Gator Bowl game when it was disclosed four Oklahoma players were signed by the pros prior to the Sooners' game with Florida late.

TO MEET PROS

The Committee on Pro-Collegiate Relations, headed by Jim Corbett of Louisiana State, will meet with pro representatives as well as the NCAA's Legislative Committee and the American Football Coaches' counter-part committee before drafting any recommendation.

PROS' JIBES STIR NAMATH TO TOP EFFORT

By WILL GRIMSLEY

Associated Press Sports Writer
MOBILE, Ala. (AP) — "I'm gonna try like hell."

Joe Namath's steel gray eyes flash fire when he is reminded of the derisive remarks of pro football veterans over his fantastic \$400,000 contract—and the suggestion that he could prove the game's biggest bust.

Frank Ryan, quarterback of the National League champion Cleveland Browns, commented facetiously that if a rookie quarterback with a bum knee is worth that kind of money, "then I must be worth a million."

SOME JETS BITTER

Even more bitter words came from Namath's future teammates on the New York Jets of the American League—quarterbacks Dick Wood, Mike Taliaferro and Pete Liske.

"I don't see how anybody coming out of college is worth that much," said Wood. "Sounds impossible," added Taliaferro. "I'd lie if I didn't say I was disappointed," complained Liske.

Dave (Hawk) Hanner, 10-year tackle of the Green Bay Packers, said he didn't believe Namath or any other novice baby in pro football would be willing to pay the price.

ALREADY "PAID PRICE"

"Pay the price?" Namath blurted today, talking between practice sessions for Saturday's Senior Bowl game. "This guy hasn't spent four years at Alabama or he'd never make a statement like that."

"You don't play four years under Coach Bryant (Paul Bear Bryant, the Alabama coach) without paying the price. You give every guy you have or you don't play."

Namath admitted that he was concerned by the furor raised in pro football over his incredible three-year contract and bonuses, the largest financial outlay ever handed a player.

ASKS CHANCE

"I can't blame some of the fellows for being skeptical and even sore, but they should understand the circumstances. They should give me a chance to prove myself before they come down on my head like this."

The 194-pound, 6-foot-2 signal caller with the rifle arm is determined to silence his critics by making good.

"I know they'll be laying for me—it's just natural," he said. "But I'm not scared. I don't run scared any more. I've had all the scare knocked out of me."

GOING TO BE TOUGH

"I know pro football is tough, but ability doesn't change. The difference in pro and college football is that the pros are smarter. They have learned more. They are big and smart and good at every position but I figure I can learn, too."

"I will learn, and, if I have my way, I'll play football for 20 years. I love it."

Sermon For The Week

By REV. C. A. STIERLE

HAVE YOU SEEN THE STAR?

Ephiphany to most people means the coming of the Wise Men to see the Christ Child and to give Him their gifts. To most this is a touching story. To find meaning from this story for our age we must not stop with the telling of a good story. Rather we must consider some

Rev. Forrest Ogburn, pastor. Sunday School at 9 a.m.; worship with sermon at 10 a.m. (Continued On Page 8)

obvious points in the story. Doesn't it arouse your curiosity that these three men are the only ones to see the star? No one else did. Perhaps they were looking for the star because of the kind of world they were living in. Pessimism, stoicism and Epicureanism were the rule of the day. Man has no hope; therefore the stoic believed in blind fate. Since we are doomed to failure, live for today - "eat, drink and be merry, etc."

NOT SATISFIED

The Wise Men were not satisfied with this kind of life. They searched the heavens and found a sign of hope. Because we too live in an age of pessimism we must also search for a sign of hope. Without the hope which

Christ brings we too are doomed and must depend on fate.

Secondly, having seen the star they followed it. Nothing kept them from reaching their goal. Do we follow the light God has given us with as much determination? The light of the world has come to light our age of darkness in Christ.

Having seen the Babe in Bethlehem a change was made. Scripture says, "And they returned another way." No one can behold the Christ, in a cradle or on the Cross, and not change. Looking and finding Christ is one thing. Allowing Christ to become a part of our life, and show us another way home to the Father is the hardest of tasks. Which way are you returning to God - your way or Christ's way?

Nancy's lonely. Nobody bothers with her much these days. Mommy's always sad and upset. And when Daddy's home, the quarreling and shouting make Nancy so frightened that she hides. She couldn't put it into words, but she knows that her safe little world has fallen to pieces.

The number of broken homes grows every year. Mutual affection and mutual interests are good reasons for marriage, but they are not enough. Our ancestors used to hang the framed words "God Bless Our Home" over the mantel because they knew that He must be a member of every closely knit family circle.

No matter how difficult a marital problem may seem, it can be solved with God's help.

Church membership and regular church attendance do much to strengthen and enrich family ties. Bring your family this Sunday. Every member, from the oldest to the youngest, will be welcome.

THE CHURCH FOR ALL

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Junior Women Pushing Five Projects For Town Welfare

Five recommendations on means of "bettering the total community" have been approved by the Junior Women's Club of Littlestown on recommendation of its Community Improvement committee, formed last fall.

The committee which used as a guide results of a community development survey made recently by the Junior Chamber of Commerce includes Mrs. Harold O. Gerrick, chairman; Mrs. Richard A. Little Jr., Mrs. Richard N. Greenholt, Mrs. Harold Study, Mrs. Otto C. Sells and Mrs. Gary Mummert.

The committee has adopted as its purpose the discussion and presentation to the club of recommendations of ways of bettering the total community.

RECREATION PROJECT

First recommendation of the committee was that newspaper articles be submitted to inform the public on any subject in the community. Then the committee inquired if the Chamber of Commerce has taken any action to secure another physician in the Littlestown area. The committee learned advertisements have been placed in medical journals and there is presently one prospect. The Jaycee survey showed many residents felt medical services are inadequate in Littlestown.

The committee of Junior Women reported on the results of a survey conducted in the fall just after the opening of school among children in Grade 2, 4, 6, 8 and 10 which showed 130 boys and 90 girls, aged four to 15 years, would be interested in a summer recreation program. Results of the survey have been turned over to the school board and are now

in the hands of a committee of school directors. The school board had asked evidence of interest in a summer recreation program in view of the lack of support of such a program several years ago.

The Junior Women are continuing efforts to raise money to place some type of tile flooring in the large meeting room at the community center.

TOT LOT PROJECT

The club also will continue its work for and maintenance of the Tot Lot. Club funds raised by fashion shows and other means have been used to equip and keep in repair play facilities at the lot over the last several years.

For the past six years the Junior Women's Club has entered a national community improvement contest sponsored by the General Federation of Women's Clubs in cooperation with the Sears Roebuck Foundation. Projects entered can be initiated by the club, or the organization may join in community work already underway. First prize of \$10,000 and all other cash prizes are specified to be used for community improvement. The General Federation of Women's Clubs stresses the importance of entering because of the community benefits as a result of the work by the club.

CHILD IS BURIED

Funeral services for Michael Lee Gartrell, four-year-old son of Charles L. Jr., and Jean (Mundorff) Gartrell, Taneytown R. 1, who died in Polyclinic Hospital, Harrisburg, on Tuesday following an extended illness, were conducted this afternoon at 2 o'clock from Little's Funeral Home, Littlestown. The Rev. G. Howard Koons, pastor of Christ United Church of Christ, officiated. Interment was in Christ Church Cemetery. Pallbearers were Robert Mundorff, Patrick Gartrell, Woodrow D. Crabbs and James Rang.

OFFICERS FOR FIRE COMPANY ARE INDUCTED

Installation of 1965 officers was conducted at the January session of Alpha Fire Company No. 1 on Tuesday evening at the fire hall.

Henry E. Waltman, a past president, installed the following: President, David S. Little; vice president, Marvin Miller; secretary, Dennis W. Wallick; treasurer, Paul E. Altoff; fire chief, James Hahn; first assistant, Richard Stuller; second assistant, Robert Murren; truck foreman, Carl Wantz; chief nozzleman, Michael Sneeringer; hose foreman, Robert Nester; trustee for five years, Bernard G. Kebil; trustee of the relief fund, Robert C. Koontz; chaplain, Harry W. Badders.

President Little assumed his duties for a second year term of office and opened the meeting with the singing of "America" by the group, followed by the Lord's Prayer. This auditing committee reported, Ronald Strevig, Fred Miller and Robert Hahn.

GIVES ANNUAL REPORT

Fire Chief Richard Stuller reported two calls for the month, one in Conewago Township and one in the borough with a total loss of \$400. He thanked the firemen for their assistance during the four years he served as fire chief and requested that the men continue to assist the new fire chief.

Stuller gave the 1964 fire report in which the company answered 46 calls with a total loss of \$33,300. The company answered 56 calls in 1963 with a total loss of \$45,550. Truck Foreman Carl Wantz reported all equipment is in good working order. He appointed Bernard G. Kebil and Jack Rebert as his assistants. Hose Foreman Robert Nester appointed Edward Crouse as his assistant and Chief Nozzleman Michael Sneeringer appointed Robert Morgret as his assistant.

Malcolm Shadle and Larry Clouser were nominated for membership into the company and President Little appointed Monroe Morelock, Clair Redding and Henry Waltman as an investigating committee. William Rinehart was elected to membership into the company.

Bills in the amount of \$2,636.95 were ordered paid. Receipts for the evening totaled \$1,047.69 of which included a donation of \$1,000 from the company auxiliary.

APPOINTS FIRE POLICE
President Little appointed the fire police for 1965, Captain, Ivan Rickrode; lieutenant, Lake Shanbrook; Robert C. Koontz, Clair Redding, Charles Snyder, Paul E. Bigelow, Wilber Mayers, Marvin Miller, Edward Warner, Harold Redding, Harold Sparver, Kenneth, Mr. and Mrs. Crouse, 24 Lumber St., in Littlestown.

Scott Would Stop U.S. Aid To UAR

WASHINGTON (ap) — Sen. Hugh Scott, R-Pa., called today for an end of U.S. aid to nations such as the United Arab Republic "whose policies attempt to humiliate and undermine American policy, prestige and power."

In a prepared Senate speech, Scott said the United States has too long condoned and aided irresponsible governments despite their hostile words and posture.

"But it is one thing to condone; it is quite another to assist," he added. "In my judgment the time has come to suspend further assistance to governments which misuse our aid programs in order to weaken the United States."

The following dedication committee was appointed: Howard O. Myers, Monroe Morelock and Walter Myers. The 1965 carnival committee includes Clyde E. Harner, Dennis Wallick, Walter Myers, Robert Nester and Harry E. Feeser.

It was announced that the officers' meeting will be held next Monday at 8 p.m. at the fire hall for the purpose of deciding the company equipment needs for the new year. An oyster feed will be held January 15. Reservations are to be made with either Glenn Ohler or Clarence Krichten Sr.

During the social hour refreshments were served to the 47 members in attendance by the social committee consisting of Ernest Spamer, Charles Crouse and Vernon H. Study Jr. The next meeting will be 8 p.m. February 2.

AUXILIARY MEETS

Routine reports were given at the semi-monthly meeting of the Ladies' Auxiliary of the Fraternal Order of Eagles on Wednesday evening in the Eagles' social room. Faye Daley, president, heard reports from Mrs. Ruth Crouse, secretary; Mrs. Ruth Fuhrman, treasurer, and Mrs. Evelyn Stately, trustee. Mrs. Mildred Flynn was the recipient of the "pig." Mrs. Fuhrman and Mrs. Ethel Rimel will serve refreshments at the January 20 meeting.

END SERIES OF SERVICES

The 1965 community preaching mission concluded with the services held on Thursday evening in St. Paul's Lutheran Church. The Littlestown Ministerium sponsored the mission, which included five services.

The Rev. Dr. Edgar A. Henry, Harrisburg, superintendent of the Harrisburg District of the Methodist Church, guest missionary, delivered a sermon on the subject "The Unity or Oneness in the Church of Christ." The Scripture was read from Ephesians 6:10-20.

The Rev. Graham T. Rinehart, pastor of the host church, presided. The Chancel Choir of Redeemer's United Church of Christ, under the direction of Dr. Esther V. Becker, sang the anthem "Peace I Leave With You." Robert, accompanied by Mrs. George A. Stonieser. An anthem, "O, I Would Sing of Mary's Child," Lovelace, was sung by St. Paul's Junior Choir, directed by Robert B. Degroft, with Mrs. Karl P. Bankert, host church organist, at the console. Walter Bemiller, George E. Hornberger, Harry Hess and Robert R. Reinaman were the host church ushers. Members of the local Lions Club were present in a body.

Following the services, a reception in honor of the Rev. Dr. and Mrs. Henry was held by the Ministerium at the Centenary Methodist parsonage. The Rev. William R. Jones, pastor of Centenary Church, and Mrs. Jones were hosts.

Scientific Advances Give Pa. Oil, Gas Industry Boost

By WILLIAM S. LYTLE
Assistant State Geologist
HARRISBURG (AP) — The Pennsylvania oil and gas industry received a shot in the arm during 1964 which caused more wildcats and development wells to be drilled than have been drilled on an annual basis during the past several years.

Probably the one thing that helped the most was the success that hydraulic fracturing was experiencing in the Glade and Venango Group of oil sands.

Fracturing has been used as a normal completion procedure for a Speechley, Bradford, Oriskany or Medina gas wells since about 1955. It wasn't until the beginning of 1963, when it was found that the Glade and Clarendon oil sands responded to fracturing, that fracturing of the shallower formations increased rapidly. Today fracturing is common practice in almost any producing formation.

901 NEW WALLS

All the statistics are not in yet but as of the middle of December the oil and gas producers in the Commonwealth had drilled 901 wells during 1964 for a total footage of 2,632,330 feet. Of these, 406 were oil wells, 254 gas wells, 135 input wells and 106 dry holes.

Of the 901 wells, 127 were deep wells drilled to the Oriskany or deeper, drilling 645,041 feet of hole. Of the 127 deep wells 32 were wildcats discovering nine new pools and fields. haven't been tallied but they were a number of them and some successful ones.

Pipeline runs for the year amounted to about 5,232,000 barrels of crude oil which is about the same as 1963. The production from the new wells has offset the decline in production of the old wells. Oil reserves in Pennsylvania as of the end of 1964 are estimated at 86,511,000 barrels.

NEW AREAS RESPOND

In the Youngsville-Sugar Grove Field in Warren County about 114 new oil wells were completed. The total production for this field averages about 1600 barrels per day which is about the same as in 1963. Multiple stage fracturing in the Glade Sand in this field has worked out very well. Wells in the field would never have produced commercially if fracturing had not been introduced. Clarion County had some ex-

citement with the drilling of the New Bethlehem Field. About 15 oil wells have been drilled in the area and production is up about 350 barrels a day.

A third area is the Pleasantville-Tionesta area where the Red Valley, First and Second Venango's have shown excellent response to fracturing. About 25 wells have been completed in this area and production is up about 500 barrels per day.

Near Franklin a field test has been initiated to evaluate the applicability of thermal recovery by steam injection as a method of secondary recovery. The steam injection process has been successful in other areas of the petroleum producing industry where high viscosity oil reservoirs are present. Also in the same general area two underground combustion oil recovery experiments were conducted. If some of these experiments should prove successful, new life could be injected into Pennsylvania's old oil fields.

VARIOUS BILLS FIND THEIR WAY TO CONGRESS

By HARRY KELLY

WASHINGTON (AP) — Congress barely opened its doors and the bills spilled in by the hundreds.

Measures to enhance "the nation's anadromous fish" swam side by side with those that would make Daylight Saving Time mandatory, would direct the Navy to name its next cruiser the Brooklyn, would change the date of Memorial Day, would give veterans with wooden legs or arms a clothing allowance, would consider putting the nation on the metric system of weights and measures — and more. Many more.

No matter how odd sounding or what wrong the legislation is designed to right, each measure is important to someone and likely will get a hearing of some kind — even if brief.

Some of the bills have gone through the legislative mill before and been tossed aside only to return again.

A bill introduced by Rep. Robert McClory, R-Ill., is such a one. It would provide for a study of the pros and cons of adopting the metric system.

McClory introduced this one in the last session too. "Why it didn't get to a hearing I just don't know," he said. "There is some opposition among the large manufacturing companies. They are fearful they might have to retol."

He argued that if the metric system were adopted "it would be much easier to relate our technology with other parts of the world."

There are a couple of measures asking to make Columbus Day a legal holiday, and Rep. Richard Fulton, D-Tenn., is trying to arrange a three-day holiday every spring by changing the date of Memorial Day from May 31 to the last Monday in May.

Britain To Build Supersonic Airliner

LONDON (AP) — Prime Minister Wilson's Labor government intends to go ahead with the British-French project to build the Concorde supersonic airliner, informed sources said Thursday.

But Britain intends to insist that a close eye be kept on the cost of the project, estimated at about \$840 million.

The sources said at least two Concorde prototypes, and possibly as many as six, will be built. The work will be shared by the British Aircraft Corp. and France's Sud Aviation.

The reprieve for the plane was decided upon at a Cabinet meeting Wednesday. The government had felt misgivings about continuing the expensive program in the face of Britain's economic difficulties.

'64 DROUGHT VERY COSTLY

HARRISBURG (AP) — The Federal - State Crop Reporting Service says the 1964 drought cost Pennsylvania farmers millions of dollars.

It marked the third straight year of drought in the state, and as the new year got under way dry conditions remained in many parts of the state.

The crop reporting service said Wednesday that early winter rains and snow have provided some relief to the drought problem, but by no means has it been fully solved. Many streams and wells are still at low levels.

"We need considerably more rain to build up subsoil moisture for the spring planting if we are to have normal prospects for good crops next year," the Service said.

AF RESERVE UNITS TO GO

WASHINGTON (AP) — The Air Force announced plans Thursday to disband 155 Air Force Reserve units by April.

The action involves about 8,000 reservists in 44 states and the District of Columbia.

Although the announcement did not say so, the action was believed to be a forerunner to the merger of the Air Force Reserve into the Air National Guard.

Such a move would parallel action already taken with respect to the Army Reserve and National Guard.

The units involved are 112 recovery squadrons and 43 recovery groups.

These are ground units whose mission is to provide for support of regular Air Force military planes at civilian airports following an attack on the United States that might have knocked out military fields.

India Welcomes Polaris Sub In Asian Waters To Ward Off Chinese Nuclear Blackmail

By CONRAD FINK
NEW DELHI, India (AP) — In a startling about-face, India has quietly accepted the stationing of a U.S. submarine armed with Polaris nuclear missiles in Asian waters.

There have been a few worried comments about "escalation" of the U.S. confrontation with Communist China, but the general Indian reaction has been one of relief that the United States is bringing up the big guns.

Just eight months ago, India applauded loudly when the late Prime Minister Nehru rose in Parliament to "express regret" in biting sarcasm that American surface warships armed with nuclear weapons were "wandering about" the Indian Ocean.

RESULT OF RED BOMB

The change in outlook is a direct result of Communist China's explosion of an atomic bomb six months later.

Many Indians consider Communist China's nuclear debut a stunning propaganda defeat for their government in the battle for prestige among African and Asian nations. There is fear that Peking will attempt nuclear blackmail of India.

Unlike Nehru, Prime Minister Lal Bahadur Shastri has been looking for a nuclear umbrella for his 480 million countrymen. He has declared that India, for moral and economic reasons, could not build its own. He suggested that the Soviet Union and the United States supply the umbrella for all non-nuclear countries jointly.

MOSCOW SPURNED OFFER

Moscow silently spurned the offer. The United States, in effect, accepted by announcing that the submarine Daniel Boone with 16 Polaris missiles aboard was moving into waters off the Asian mainland.

Even rabidly anti-American newspapers in India found little fault with Washington's move. The leftist newspaper Patriot, though dissatisfied with this extension of American influence, said: "The western Pacific will now be an American pond into which the power-crazy mandarins of Peking can no more look."

Some Indians see the move as an effort by President Johnson to lift the U.S.-China confrontation out of South Viet Nam.

There is speculation in New Delhi that Johnson would like to move away from man-to-man battles and rely instead on America's superior naval and air power to contain Chinese expansionism.

Top Indian officials see no chance of the United States winning against the superior manpower of China and its satellites in ground battles.

These officials say President Johnson also realizes this and that by moving the Daniel Boone into Asian waters, he is trying to reassure the non-Communist nations of Asia that they will be protected.

In India, at least, the Daniel Boone and its 16 missiles are having this effect.

They Followed Letters Of Law

ST. PAUL, Minn. (AP) — When two drivers had a fender-bending accident Wednesday they followed the letter of the law.

Robert Dicke, 22, Minneapolis, and Dennis McMann, 32, St. Paul, left their cars where the accident occurred and went to call police.

A Rock Island train came along and smashed into both cars. One hit a utility pole. The pole fell and shattered the windshield of a third automobile.

WOMAN NAMED CHIEF JUSTICE

PHOENIX, Ariz. (AP) — A woman who considers herself "a working judge" has been elected chief justice of the Arizona Supreme Court.

Lorna Lockwood was chosen chief justice Wednesday by unanimous vote of her four colleagues. It is believed to be the first time that a woman has headed a state's highest court.

Miss Lockwood, follows her father's footsteps. The late Alfred C. Lockwood, first appointed judge in 1913, was chief justice three times during his 18-years on the Supreme Court.

Miss Lockwood has been on the high court four years, following 10 years as a Superior Court judge, three terms as a state representative and tenure as assistant state attorney general.

2 HOSPITALS TO BE MERGED

PHILADELPHIA (AP) — Woman's Hospital, an independent medical institution for 104 years, has received court permission to merge with the University of Pennsylvania Hospital.

Dr. I. S. Ravdin, vice president for medical affairs at Penn, said Wednesday University Hospital does not intend to use any of Woman's physical facilities, but would operate it under the merger as a distinct section under its own separate designation.

Woman's Hospital, beset by financial problems and in receivership since last March, had announced earlier it was ceasing operations. It stopped accepting patients Wednesday.

Court hearings will begin next Wednesday on a challenge raised by Woman's Medical College—an unrelated institution—against the transfer to Penn of Woman's Hospital endowments estimated at \$936,000 to \$1,380,000.

WILKES-BARRE, Pa. (AP) — John Levan, 60, was killed Wednesday when hit by a fall of rock at the Western Mining Corp.'s 132 Slope at suburban Hanover Township.

BURBANK, Calif. (AP) — John Larkin, 63, film and television writer-producer and former newspaperman, died Wednesday. Before coming to Hollywood in 1935 Larkin was a writer and foreign correspondent for the New York Sun.

MYRNA LOY IS TURNING DOWN SHOCK FILMS

By BOB THOMAS
AP Movie-Television Writer
HOLLYWOOD (AP) — Here's one star who won't follow the trend of longtime leading ladies in playing shock films.

"You should see some of the scripts producers send me," says Myrna Loy. "They're absolutely unbelievable. I just send them back with no, thanks. I've gone through that stage in my career. In '13 Women' (RKO, 1932) I killed 13 women. So you can see I've done my bit."

She doesn't at all mind veering from the "perfect wife" which she played so brilliantly in films from "The Thin Man" to "Best Years of Our Lives." In fact, she did so in her last release, "From the Terrace."

HOLLYWOOD'S LOSS

"I played Paul Newman's alcoholic mother," she recalled. "It was certainly offbeat from what I have played before. But it wasn't macabre."

The fact that the Loy charm hasn't been seen on the screen for five years is Hollywood's loss, but not Myrna's. She has occupied the time with a new love: the theater.

She's back in town with the hit comedy, "Barefoot in the Park," which is appearing at the Huntington Hartford Theater. The stand is part of a cross-country tour that has permitted her to see America for the first time.

LATE DEVELOPMENT

"It's true," she remarked at her Chateau Marmont suite. "I never really got a chance to see the United States before. During all those years at MGM I was working so hard I never got a chance to travel. We didn't make personal appearance tours the way they do today."

The theater is a late development in the Loy career, although she trained for it early. "I went through the usual stage work in school — understudying Ophelia in 'Hamlet,' that sort of thing," she said. "I had elocution and singing les-

UNRUH ASKING VETS HOSPITAL

CAMDEN, N.J. (AP) — Howard B. Unruh, killer of 13 persons in a shooting spree here 15 years ago, has asked the New Jersey courts to dismiss all indictments against him.

Unruh, then 28, was committed to the state hospital at Trenton on Oct. 11, 1949.

Unruh's hand-printed, two page petition asking dismissal of indictments pending was received by Camden County Judge Louis L. Goldman, and turned over to Superior Court Judge W. Orvyl Schallick.

Unruh said he believes he "was legally insane during the commission of the crimes" on Sept. 6, 1949.

The petition to Judge Goldman was accompanied by a letter and an affidavit in which Unruh stated he is without funds to proceed otherwise. Unruh said he would like to enter a veterans hospital.

HOSPITAL GETS HUGE ESTATE

PHILADELPHIA (AP) — The immediate money worries of Mercy-Douglass Hospital may be alleviated in a few days, thanks to the will of a Chester businessman.

Hospital authorities said that under the terms of the will of George Nugent, Mercy-Douglass stands to get more than \$400,000.

This will be used to pay the hospital's current debt of \$350,000, executive director John L. Procope said. He expects the legacy settlement to be made in a matter of days.

The hospital has been plagued by lack of capital and says it is losing more than \$17,000 a month on its operating expenses. Nugent was a member of one of the oldest Negro families in Chester. He died Nov. 24, 1953, at the age of 82. He was in the retail grocery business.

sons, all of which stood me in good stead when talkies came in."

Discover the difference in the '65 Chevrolets

(As different from other cars as they are from each other)

Chevrolet Impala Sport Coupe

CHEVROLET—As roomy a car as Chevrolet's ever built.

When you take in everything, there's more room inside this car than in any Chevrolet as far back as they go. More room for shoulders and

Chevelle Malibu Super Sport Coupe

CHEVELLE—The most popular intermediate-sized car you can buy.

Of all the cars its size, Chevelle is the biggest seller. Why? Because of its Full Coil suspension ride. Because many models come with thick carpeting, vinyl interiors. Because you get so much for your money.

Chevy II Nova Sport Coupe

CHEVY II—As economical a car as you can own, but... But those rust-resisting rocker panels and self-adjusting brakes have never been in more beautiful surroundings. Come see what expensive looking styling and yards of luxurious upholstery can do.

Drive something really new—discover the difference at your Chevrolet dealer's

feet. So, besides the way a '65 Chevrolet looks and rides and is powered, we now have one more reason to ask you: What do you get by paying more for a car—except bigger monthly payments?

Corvair Corsa Sport Coupe

CORVAIR—The only rear engine American car made.

You should read what the car magazines say. They think there's nothing else this side of the Atlantic that can touch Corvair's styling and ride. They say that a Corsa with 180-hp just has to be tried.

Corvette Sting Ray Sport Coupe

CORVETTE—The only true sports car America makes. Now everybody claims to have a "true" sports car. But other dealers can't say they have one available with a fuel-injected V8, as Corvette does. Or with 4-wheel disc brakes. Or with a clear conscience.

SUSPECT MAY LEAD POLICE TO STOLEN JEWEL

MIAMI, Fla. (AP) — Allan Dale Kuhn, 26, is in Miami in a reported attempt to lead police to the Star of India sapphire and 21 other jewels he and two others are accused of stealing.

The world's largest cut sapphire and the other gems — valued at \$410,000 — were taken Oct. 29 from the American Museum of Natural History in New York.

Kuhn flew here Tuesday from New York. Authorities were giving out no information but New York and Miami newspapers printed some details of the behind-the-scenes maneuvers today.

The crack in the case started late Tuesday when Kuhn reportedly told New York authorities he might be able to get his hands on the Star of India and the other jewels if he could get to Miami.

ACCUSED OF THEFT
Kuhn is accused of the theft along with fellow beach boys Jack (Murphy the Surf) Murphy, 27, and Roger Frederick Clark, 29.

While Murphy and Clark remained in a New York jail under high bond, Kuhn was permitted to fly to Miami in the company of two detectives and a Manhattan assistant district attorney. He was said to be "under surveillance," but not in custody.

Presumably, this was to permit Kuhn to operate freely in gaining recovery of the jewelry. There were reports that Kuhn would be back in New York early today, but a check of airplanes failed to show him aboard.

He was spotted by newsmen Wednesday night at his fancy

A Lovelier You

By MARY SUE MILLER

Do you grunt and groan when you pick something up from the floor? Do you huff and puff when you rise from deep chairs? Do

you hoist and clump yourself up a flight of stairs?

A woman should be able to make all those actions with completely effortless grace. When she cannot, it's a sure sign her joints are getting stiff. And not so much from age, but from disuse. Illnesses excepted, of course.

The older we grow, the less physically active we become. Even a very young woman, rearing a "passel" of children, is less active than when she had periodic workouts at school. Running

oceanfront apartment in Miami, accompanied by a man who said his name was "Charlie Smith" and who insisted he was not a detective. The two bolted from Kuhn's apartment out a fire door and disappeared.

Kuhn, Murphy and Clark were arrested less than 30 hours after the museum theft. They have maintained their innocence.

SAYS FUTURE OF GOP IN PA. TOP CONCERN

HARRISBURG (AP) — Gov. Scranton says the interests of the Republican Party in Pennsylvania supersede any national political ambitions he might have.

"The one thing I'm looking forward to in Pennsylvania is the return of the party to the role of the majority party," Scranton told a GOP registration seminar here Thursday.

Republican workers from across the state attended the day long seminar which was part of a drive aimed at increasing GOP registration by 10 per cent. At the present time Democrats lead in registration by 111,000.

"MOST IMPORTANT JOB"
"It makes no difference what happens to me nationally," Scranton told his fellow party members. "It makes no difference to me as a person at all."

He added: "As far as I am concerned, the most important job confronting us is to make the Republican Party in Pennsylvania

after children does not have the same limbering effects on the joints as sports or formal exercise.

As a result, much mobility is lost, and with it goes the grace of the figure. A figure can be ideal and appear stocky, if it is graceless. That being so, think how the plump or stringy figure appears when it moves awkwardly.

It follows that a good New Year's resolution would be to limber up and stay limbered. Here's the routine that turns the trick:

1. Stand tall, stretch arms overhead, and sway from side to side.
2. Drop head back; slowly roll from shoulder to shoulder.
3. Cross wrists, place fingertips on shoulders, swing arms up to full extension, and return to starting position.
4. Swing right leg forward and backward—high as possible; swing left leg.
5. Repeat each part 10 times before going on to the next. And limber you'll be!

Wilson To Call Prime Ministers

LONDON (AP) — Prime Minister Harold Wilson said Thursday night he is planning his first conference of prime ministers of the British Commonwealth.

"I am already in touch with my colleagues to find out their reactions to this proposal," he told an anniversary dinner of the Commonwealth Correspondents' Association.

A commonwealth meeting probably would not take place before July at the earliest, government sources said. The last Commonwealth conference was held last July.

MAN CHARGED IN ROBBERY

POTTSVILLE, Pa. (AP) — State Police have charged John Elwood Long, 20, of Reading, Pa., with armed robbery in Thursday's \$10,000 holdup of the New Philadelphia Bank.

Long was arrested on the outskirts of town soon after the holdup, after state police tracked his footprints through the snow. They said that when they arrested him he was holding a shotgun in one hand and the bag of money in another.

After his arraignment before Alderman William J. Purcell Thursday night, Long was held without bail for a hearing Jan. 11.

State police said a man waving a shotgun demanded a bag filled with money from Robert Abner, 18, one of three employees on duty at the bank. Abner handed him a bag containing about \$10,000, said the State Police.

Philippines To Seek New U.S. Ties

MANILA (AP) — President Diosdado Macapagal said Thursday night that U.S.-Philippine relations need to be brought up to date.

The president observed in a speech that "the present status quo of our relations with the United States has been dictated by factors no longer present."

"We recognize, therefore, that in harmony with the requirements of a common security, Philippine-American relations deserve to be scrutinized and updated in order to make Philippine-American friendship vibrant and more in keeping with present-day conditions and events."

stronger," he said. "The people of the state know we have made progress, progress such as we've never before had. They know of our sound fiscal program and our balanced budget. They have confidence in our programs. This is our calling point."

Sharing the rostrum with Scranton was Lt. Gov. Raymond P. Shafer, who said Republicans "don't have to sit back and apologize to anyone about our programs."

REPORT STORM IS SHAPING UP IN MIDWEST

By THE ASSOCIATED PRESS
Rain and snow hit wide areas of the nation today and a major winter storm appeared shaping up in the central Plains.

The Weather Bureau reported a clash of record-breaking warm, moist air from the Gulf of Mexico and arctic air moving southward through the Dakotas will set off blizzard conditions.

Readings were in the 60s and 70s in parts of Kansas and Missouri Thursday as unseasonably mild weather covered the central Plains and the middle Mississippi Valley. Record high marks for Jan. 7 were reported in several cities.

The Weather Bureau said the temperature contrast between Kansas and North Dakota was similar to one normally reported between the tropics and the arctic. The temperature range early today between Manhattan, Kan., and Dickinson, N.D., a distance of 600 miles, was 70 degrees. It was 63 in Manhattan and 7 below zero in Dickinson.

Cold wave warnings were issued for sections of the Plains from eastern Wyoming across Nebraska and South Dakota eastward through western and northern Minnesota, northwestern Iowa and into western and central sections of Kansas.

SNOW IN ROCKIES
Snow blanketed the southern Rockies. Two inches of snow fell in the Flagstaff, Ariz., area and Craig, Colo. Heavy snow was indicated across the mountain areas of New Mexico.

Showers broke out in advance of the mild air during the night. Drizzle and light rain dampened the upper Mississippi Valley and the upper Great Lakes region. Freezing drizzle pelted the cold sections of Minnesota and the Dakotas. Rain and snow fell in scattered sections in Eastern areas.

In the Far West, snow flurries flecked areas in the Pacific Northwest but dry weather prevailed across most of the storm and flood-stricken areas in California and Oregon.

WANTS CHILE IN RED ROLE

SANTIAGO, Chile (AP) — Foreign Minister Gabriel Valdes recommends that Chile establish closer ties with the neutralist and Communist nations as part of an expanding world role.

"Chile must be an active element in the creation of a new world community, in which the underdeveloped countries of the so-called third world will play a decisive role," he said in a foreign policy address to the Senate made public Thursday.

Hinting at closer ties with Red China, he said that Chile "has a destiny open toward the Pacific and, in a future which is not far away, continental China will open itself to exchanges in this area."

However, Valdes pledged the moderately leftist government of President Eduardo Frei to continue Chile's alliance with the United States. Chile received \$17 per capita in U.S. aid last year, the highest in Latin America.

Pentagon Reports Sergeant Is Alive

WASHINGTON (AP) — The Pentagon says Air Force M. Sgt. Donald H. Hiller, serving in South Viet Nam, is alive and well.

Hiller's mother, Mrs. LeRoy Hiller of Richmondville, N.Y., said Wednesday night that she had received word by telephone from a "casualty control officer" that her son had been killed in action.

A spokesman at the Pentagon said Thursday night, however, he knew of no title of casualty control officer and said next of kin almost always are notified in person or by telegram.

Wilson To Visit Berlin This Month

BONN, Germany (AP) — British Prime Minister Harold Wilson will visit Berlin Jan. 23, the Foreign Ministry reported today.

It will be the first time that a British prime minister has gone to the city since the Potsdam conference in 1945.

ALBANY, Calif. (AP) — Joseph Jacuzzi, 73, international industrialist and a developer of the Jacuzzi jet whirlpool pump, died Tuesday after a long illness. Jacuzzi was one of five brothers who together built one of the first cabin monoplanes in America, revolutionized agricultural irrigation with an artesian pump, and experimented with atomic energy. The brothers were born in Udine Province in Italy and came to this country between 1907 and 1919.

WINTER HAVEN, Fla. (AP)

Dr. William J. Bleckwenn, noted psychiatrist and medical pioneer in the use of drugs in the treatment of mental illness, died Wednesday. Dr. Bleckwenn, who served in both world wars and established the first psychiatric hospital for servicemen, was born in New York. Age unavailable.

Delay Apollo Excursion Of Three-Man Moon Crew

By HAROLD R. WILLIAMS
HOUSTON, Tex. (AP) — The U.S. plan to orbit three astronauts in an Apollo moon spacecraft in 1966 suffered its first setback Thursday with announcement of major schedule changes.

Also caught in the revisions was the third Saturn manned mission, which was replaced by an unnamed earth orbital test of the lunar excursion module — LEM — which will carry astronauts to the moon's surface.

Dr. William A. Lee, head of the Operations Planning Division at the Manned Spacecraft Center, said the delay in the first three-man orbital flight should be small.

"Instead of making the launch earlier in 1966," he said, "it will be later in 1966."

Because of the closeness of the schedule, however, problems could send the mission into 1967, observers pointed out.

Original planning called for two unmanned sub-orbital flights of the powerful Saturn IB rocket. The third, assuming no major setbacks occurred on the previous two, was to be flown by three astronauts.

Lee said the third flight now was scheduled to be a test of the second-stage booster, called the Saturn 4B, and its propellant tanks, which hold liquid hydrogen and oxygen.

REDUCE WEIGHT

To save weight, the Apollo spacecraft will not be used — only a nose cone, Lee said.

The tanks carry 223,500 pounds of fuel and will be filled. In earth orbital trips using the three-stage Apollo spacecraft, the tanks will be only partly filled, Lee said, to reduce weight.

The Saturn 4B will be the third stage on the mighty Saturn 5 rocket and will hurl itself and the Apollo spacecraft into earth orbit.

After four and one-half hours circling the earth, the Saturn 4B's engine will be started and its 200,000 pounds of thrust will fling the spacecraft toward the moon.

"We need to know how the

fuel acts in a weightless condition," Lee said. "The only way we can do that is to send it into space."

The Saturn 1 family of rockets has been one of the brighter spots in the U.S. space picture. The 1.5 million-pound thrust rocket has been fired seven times without mishap. The Saturn IB is an advanced and more powerful model.

Lee said the unmanned earth orbital test of the LEM replacing the third manned mission was scheduled for 1967.

SEN. LONG IS CHILD OF TWO U. S. SENATORS

By GORDON BROWN
WASHINGTON (AP) — Sen. Russell B. Long, D-La., the new assistant Senate Democratic leader, began life as Huey Pierce Long III.

The name didn't stick.

His father, the famed Huey P. Long of Louisiana, objected to it.

What happened, Sen. Long recounted today, was that he was born Nov. 3, 1918, while his father was out campaigning for election as State Public Service commissioner. So his mother named him Huey Pierce Long III, and the birth was so registered.

GREW UP AS RUSSELL

But the father — who served as governor and later as senator from Louisiana before his death in 1935 — objected, saying he didn't want his son to have to be responsible for any of his mistakes. He picked out the name Russell Billie Long, Billie being the maiden name of Huey Long's mother.

So the boy grew up as Russell B. Long without anything ever being done to change the official record.

Then came World War II. Russell joined the Navy, and the discrepancy in names came to light.

MOTHER APPOINTED

"You know the Navy," Sen. Long said. "Everything has to be in order — in triplicate."

So he went to court and had his name officially recorded as Russell B. Long.

Long is the only U.S. senator in history whose mother and father both served in the Senate. After his father's assassination in Baton Rouge Sept. 10, 1935, his mother was appointed to the Senate and served out the remainder of Huey Long's term.

DUSK TO DAWN

OUTDOOR LIGHTING

PROTECTS YOUR PROPERTY FOR ONLY \$4 A MONTH

If you live beyond the limits of regular street lighting, here's your own private outdoor lighting service. On at dusk—off at dawn, it provides these big advantages—

- protects your property—discourages prowlers, thieves and vandals
- prevents accidents—makes steps, garages and driveways safer
- gives your family a sense of security
- sets off the beauty of buildings and property

And you pay just \$4.00 a month. No investment—no additional charges. This flat fee includes the lighting fixture itself, complete installation, photoelectric cell to turn it on at dusk and off at dawn, electricity to operate the light, and any necessary maintenance — including replacement of burned-out lamps.

Find out today why Dusk To Dawn lighting is a smart idea for any property owner. Use the coupon below, or call your nearest Metropolitan Edison Company office.

LOSING HAIR?

Warren Feathers, Clayburg, Pa., shows results he received by the Lesley Home Treatment Method. He did not have male pattern baldness.

MEN AND WOMEN

Hair Consultant Here Tomorrow; To Explain Hair Problems

The worst enemies of hair are neglect, mistreatment and improper hair care. A little time spent now may save a great deal of regret later.

Mr. T. C. Gordon will be in Gettysburg, Pa., at the Three Crowns Motor Lodge, on Saturday, January 9, 1965, hours 1:00 p.m. to 8:00 p.m.

Come in and talk with the Lesley Consultant regarding your hair and scalp problems. Learn how you can treat yourself right in the privacy of your own home.

WRITTEN GUARANTEE

If you have dandruff, excessive hair fall, thinning hair, excessive oiliness or dryness, itchy scalp, or if your scalp is still creating hair

you should take positive action at once.

You incur no charge or obligation by coming in for the consultation. We will tell you frankly and sincerely whether or not we believe you can be helped, how long it will take and how much it will cost.

FREE CONSULTATION

If you are accepted for treatment, you will be given a written guarantee for the length of time treatment is required, on a pro-rated basis. Nearly half of our clients are women.

Male pattern baldness is the cause of a great majority of cases of baldness and excessive hair loss, for which neither the Lesley treatment nor any other treatment is effective.
